ALLERGENS AND SPECIAL DIETS:

Although we offer a selection of organic and bio-dynamic wines, it should be assumed that all wines on this list contain sulphur dioxide.

Food and Wine Matching

The matching of food and wine is a matter of personal taste. There are no hard and fast rules, but just remember it is easiest to think of wine as a sauce and match the strength of flavours and weight of the dish with the wine. Happily there are hundreds of 'right' combinations and there are very few 'wrong' combinations.

Intensity/Weight:

Try to match the weight of the food with the weight of the wine, so a rich, red meat dish like Beef/Game works well with a Full Red Bordeaux, Red Rhone or New World Shiraz or Cabernet Sauvignon.

Hence, if you so wished, a fuller White Wine like a Burgundy would work better than a lighter style Red from Beaujolais or a New World Pinot Noir.

Lightweight food like poultry/fish is better complimented with more delicate wines such as Italian White, Sauvignon Blanc or a no oak Chardonnay - a light, low-tannin Red from Beaujolais or New World Pinot Noir could also work.

Acidity:

Acid in food, from the likes of lemons, limes, apples, etc will help to reduce the acidity of the wine and will help emphasis the wines fruit flavours. Generally wines from a cool climate (New World mostly) and Champagnes have a higher acidity and higher acidity wines also help to cleanse the palate when eating oily foods.

In some regions of the world, the wines are tailored to suit the food of that region. The best example of this being Italy where the majority of Italian Red wine is high in acidity to match the tomato and olive oil based dishes.

Tannin:

These are the bitter, mouth-drying gum-furring elements which are detected in red wine and comes from the grape skins and stalks. The highest levels of tannins are found in younger, full-bodied wines made from Cabernet Sauvignon and Shiraz particularly and tannin acts a natural preservative in wine and as the wine ages it becomes less noticeable. Wines made from grape varieties such as Pinot Noir and Gamay (Beaujolais fame) have naturally lower levels of tannin.

Wine tannins are attracted to fatty proteins (your saliva is full of protein molecules and this is why your gums pucker and dry when drinking tannic wine). Lamb is a good example, as the tannin molecules from a tannic Red wine attach themselves to the high-fatty lamb molecules and strip them from your mouth, leaving your mouth refreshed and cleansed.

Sweetness:

The general rule of thumb is that the wine should be as sweet, but better still sweeter than the food.

Many sweet wines have good acidity, like Sauternes and this makes them a good match for rich foods like paté and foie gras as the acidity will cut through the fatty texture and then complement the richness of the food.

Finally, all wine has some residual sugar and some New World wines from grape varieties like Chenin Blanc, Viognier and Riesling may be 'off-dry' in style and this works well with savoury dishes that have been lightly sweetened with honey, coconut milk, etc: as in glazed pork or Thai chicken curry.

Sulphites in wine:

Though not affecting the characteristics of the wine, a commonly asked question. Pick up a bottle of wine in the UK and you will find a statement on the label declaring 'contains sulphites'. This is to protect a small number of people, such as asthmatics, who may have an allergic reaction. Sulphites are a natural product of fermentation, so all wines contain a limited amount.

However sulphites also exist in wine through the use of sulphur dioxide (SO₂) during the wine making process. SO₂ is a strong antiseptic but is also used to protect grapes and wine from microbial attack; in addition it has antioxidant properties. Red wines require less SO₂ than white wines, but look out for Organically or Bio-dynamical produced wines which only contain very small amounts.

A Few Suggestions

Though by no means a definitive list, these wine suggestions are simply to give you some ideas. If you would like a full-bodied Australian Shiraz with your Green Salad or a pudding wine with your Roast Beef, then please do so. All we can ask is that you enjoy your food and wine choice.

- Salads:** To help cut through the dressing/oils a refreshing Rosé, a crisp Sauvignon Blanc or an aromatic Albarino.
- Velouté:** Enjoy a glass of Champagne or Rosé. Alternatively try a New World Riesling, un-oaked Chardonnay, or a crisp Sauvignon Blanc.
- Seafood:** Either New World style un-oaked Chardonnay, White Burgundy or going down the red route try a Beaujolais or New Zealand Pinot Noir or combining both white and red – how about Irancy, a Red wine from the Chablis region.
- If the dish is with a creamy or butter sauce, then the better match is a buttery White Burgundy from the Côte de Beaune, like – Puligny or Chassagne-Montrachet.
- With smoked fish a South African or Australian Chardonnay matches well.
- For simpler grilled fish why not try a crisp Italian white or an Albarino from Spain covers most seafood options.
- Shellfish:** For Scallops crisp South African or New World Sauvignon Blanc or Pouilly Fumé from the Loire is also an excellent alternative.
- With the likes of Crab and Lobster a Côte Chalonnaise/ Côte de Beaune Burgundy or White Rhône is sublime. If they are served plain, a Chablis is a great match.
- Chicken:** A nice simple Chardonnay as it should not be too over-powering for the delicate flavours. If the dish comes with a creamy sauce a Pouilly Fuissé would be a better match.
- Pork:** A Chenin Blanc or New World style of Chardonnay works well. But a Beaujolais is an excellent match for all types of Pork dishes.
- Lamb:** A Red Bordeaux is the perfect accompaniment, particularly wines from Paulliac and Médoc. Red Rhône or from the New World – Shiraz, Cabernet Sauvignon or Merlot. If Italian wine is to your liking, a Sangiovese should go down very nicely.
- If you wanted an alternative, why not try a Rioja or Malbec.
- Beef:** A good selection is available from Red Burgundy to Beaujolais to New World Merlot dominated blends. Roast beefs' best companion is a lovely mature Red Bordeaux, in particular a Pomerol, a little expensive perhaps but worth treating yourself.
- All are suitable so long as the wine is of medium tannin red.
- The only exception is with Steaks or Rare Beef when a big Red Bordeaux, Red Rhône or Australian Shiraz work best.
- Winged Game:** Depending on the weight of the sauce, you can start from New Zealand Pinot Noir to Rioja, Malbec, mature Red Rhône, Red Bordeaux and New World Cabernet Sauvignon.
- Game:** You need something to match the strong flavours, particularly later in the season, so try a Red Rhône, New World Shiraz or Cabernet Sauvignon or alternatively from Italy a comforting Barolo.

CHAMPAGNE – Vintage & Prestige Cuvée

The only reason vintage Champagne is superior to non-vintage is that its relatively small production allows a far stricter control over the quality of base wines selected, and because it is sold when it is approximately twice as mature. No more than 80% of the harvest may be sold as vintage Champagne ; this conserves at least 20% of the best years for future blending of non-vintage wines. Some houses stick rigidly to declaring a vintage only in years of exceptional quality; others sadly do not.

- 014 **Taittinger, Comtes de Champagne, Blanc de Blanc, 2012** 250.00
 (100% Chardonnay) Wine Advocate – 95 points, Antonio Galloni – 96 points, Decanter.com – 96 points
 “From the Grand Crus of Avize, Chouilly, Cramant, Mesnil-sur-Oger, and Oger, the 2012 Champagne Blanc De Blancs Comtes De Champagne comes back swinging after last year's release and assumes a more noble and layered profile... it has fantastic aromatic complexity, with wonderful custardy and classic aromas of lemon curd, crème brûlée, shortbread, and honeysuckle. The nose is hard to resist, and on the palate, it's full-bodied, with a refined and pillowy mousse and a delicate warmth on the finish. It hits a lot of the right marks in this vintage, offering plenty of purity and balance... It's just such a pleasurable wine, 2012 marks an exceptional return for this cuvée...” *Audrey Frick, JebDunnuck.com, November 2023 - 96 points*
- 038 **Delamotte, Blanc de Blancs, 2018** (100% Chardonnay) James Suckling – 94 points 125.00
 “The Delamotte 2018 Blanc de Blancs is showing well today, evoking a gourmand, complex bouquet of pastry, almonds, ripe orchard fruits, spices and spring flowers. Medium to full-bodied, layered and chiseled, it's enveloping and round with a fleshy core of fruit, concluding with a tense and long finish.” *Yohan Castaing, RobertParker.com, March 2024 – 93 points*
 “The elevated heat of the 2018 vintage is manifest on the ripe aromas of citrus confit, poached pear, baked apple and quinine-scented nose. There is good richness allied with good verve to the moderately generous medium-bodied flavors where the supporting mousse is also moderate while remaining relatively fine before terminating in an acceptably complex, nice dry and sneaky long finale.” *Allen Meadows, Burghound.com, October 2024 – 92 points*
- 016 **Dom Pérignon, 2015** 295.00
 (51% Pinot Noir, 49% Chardonnay) Wine Spectator – 96 points, Robert Parker – 95 points, Decanter – 94 points
 “The 2015 Dom Pérignon is terrific. Bright and poised, the 2015 shows terrific energy. Citrus peel, white flowers, mint, white pepper and slate all race across the palate. There's gorgeous tension and backbone here, with bright saline notes that extend the mid-palate and finish. This is a fine showing in a vintage that has proven to be tricky. I am intrigued to see how the 2015 develops in the coming years.” *Antonio Galloni, Vinous, March, 2024 – 96 points*
 “The 2015 Dom Perignon is a beautiful showing marked by its finesse and vibrant character. It opens with a mesmerizing bouquet of lemon curd and green pear, intertwined with notes of orange zest, toasted brioche, crushed almonds, and hints of ginger and chalky minerality. The palate is impeccably balanced, showcasing a lively mousse and refreshing acidity that frames the rich flavors of citrus, orchard fruits, and subtle hazelnut. A touch of salinity adds depth, leading to a long, elegant finish with lingering notes of white flowers and flinty undertones. This vintage offers exceptional complexity now but also promises further refinement with some additional aging.” *International Wine Review, Nov 2024 - 96 points*
- 011 **Pol Roger, Cuvée Sir Winston Churchill, 2015** 350.00
 (70/80% Pinot Noir, 30/20% Chardonnay) Antonio Galloni, vinous.com – 95 points, Jancis Robinson MW – 18 points
 At a luncheon given by the British ambassador to France after the liberation of Paris, Churchill met the charming and captivating Odette Pol-Roger and began a friendship, which lasted until Sir Winston's death in 1965. On Churchill's death, Pol Roger put black-bordered labels on the bottles destined for the UK and in 1975, they named their prestige cuvée after him.
 “A strong effort in a less-acclaimed vintage, Pol Roger's newly released 2015 Cuvée Sir Winston Churchill opens in the glass with aromas of confit citrus, ripe orchard fruits and dried white flowers mingled with hints of honeycomb, freshly baked bread and anise. Medium to full-bodied, vinous and concentrated, with bright acids, chalky structuring extract and a pinpoint mousse, this inherently rather rich, gastronomic Champagne is quite tightly wound out of the gates and will reward a bit of bottle age. Stylistically, it is somewhat reminiscent of a modern-day version of the 1985.” *William Kelley, Wine Advocate, March 2023 – 94+ points*
- 019 **Krug, Grande Cuvée, Brut** 275.00
- 044 **Krug, Grande Cuvée, Brut** (half bottle) 175.00
 (50% Pinot Noir, 15% Pinot Meunier, 35% Chardonnay)
 A breathtaking champagne that effortlessly balances richness and freshness, power and finesse. A gleaming gold colour, an extravagantly expansive bouquet, an almost creamy texture. Blended from as many as 50 wines from three grape varieties, 20 to 25 growths, and six to ten different years.
- 034 **Bollinger, La Grande Année, Brut, 2015** 210.00
 (60% Pinot Noir, 40% Chardonnay) Wine Advocate – 95+ points (March 2024), Wine Spectator – 96 points (Nov 2024)
 “Enticing, fragrant aromas of toast, lemon zest and an earthy-smoky nuance lead to a palate of subtle Bosc-pear, mango, papaya, even pineapple flavors. Lifted by fresh acidity on the medium-bodied palate, the wine keeps unfolding in toasted walnuts, honey and a dash of bitter marmalade. It's mouth-filling, alive with acidity and full of finesse.” *James Suckling March 2024 – 96 points*
 “Bollinger's 2015 Brut Grand Année is an intriguing wine in that it clearly reflects the decision to pick on the later side in order to avoid vegetal notes derived from the mismatch of alcoholic and phenolic ripeness. Chef de Cave Denis Bunner notes. "At 10% in sugar, the fruit was simply not ripe. We had to wait to reach the optimal window of ripeness." Bunner also opted to increase the Chardonnay, so the blend is 60% Pinot Noir and 40% Chardonnay. Dried citrus peel, sage, menthol, sage, tangerine peel and spice build with some coaxing. Light tropical overtones develop with aeration. There's real density and textural richness here. This will be a fascinating vintage to follow. Stylistic.” *Antonio Galloni, vinous.com, March 2024 – 96 points*

CHAMPAGNE – Non Vintage

Non-vintage Champagne accounts for three-quarters of the region's production. The bulk of a blend will be from the current harvest but between 10 and 20% reserve wine from as few as two, or as many as seven, older vintages may be added. By law, a non-vintage Champagne must be aged for a minimum of one year, but the best houses will give their wines at least three years in bottle. Non-vintage Champagnes are not usually the finest Champagne, yet they are capable of being so, and in years when either the character of the wine is not to an individual's taste, or in poor harvests, the non-vintage is a better buy than the more expensive vintage.

040	<p>Ayala, Brut Majeur, Non-Vintage (40% Chardonnay, 40% Pinot Noir, 20% Pinot Meunier) Wine Spectator: 92 points, Wine Enthusiast: 91 points Light gold, abundant & fine bubbles.  (34% Chardonnay, 33% Pinot Noir, 33% Pinot Meunier)
 The nose opens with beguiling hints of beeswax and apricot which are repeated on the palate and reinforced with notes of acacia honey. Despite the sweetness it is remarkably refreshing and the acidity cuts right through the heart of the champagne leaving the palate cleansed. This would be the perfect toast to serve with wedding cake but equally it complements tarts and crumbles. Makes it the perfect drink for occasions when something a little less dry is called for.

CHAMPAGNE – Rosé

Most pink Champagnes have a higher proportion of black grapes than white, and some are pure Pinot Noir, but many houses simply add a little red wine to their basic non-vintage or vintage *cuvées*. A good pink Champagne will have an attractive colour, perfect limpidity and a snow-white *mousse*.

- 047 **Billecart-Salmon, Le Rosé** 140.00

- 037 **Laurent Perrier, Cuvée Rosé, Brut** 120.00
 (100% Pinot Noir)
 Salmon-pink in colour. The nose is precise and very crisp with a lasting impression of freshness, it has hints of soft red fruits, such as strawberries, redcurrants, raspberries and black cherries. Intensely fruity flavours begin clean and well-defined upon entry, the wine then opens up to provide a melange of flavours consisting of fresh strawberries, raspberries and wild cherries. It has great length and is rounded and supple on the finish. Laurent Perrier Rosé is famous for its' highly expressive bouquet, which stems from the very careful preservation of the grape's natural fresh red fruit aromas. It is one of the rare Rosé champagnes to be made using the maceration (skin contact) technique, which gives it the extraordinary depth and freshness that has made it the benchmark for Rosé champagne around the world. Blended from ten different crûs or villages considered to be among the finest villages in Champagne, including Ambonnay, Bouzy, Louvois and Tours-sur-Marne. In many minds the finest non-vintage Rosé champagne.
- 026 **Drappier, Grande Sèndrée, Rosé, 2010** 195.00
 (80% Chardonnay, 20% Pinot Noir)
 "The 2010 Extra Brut Rosé Grande Sèndrée is a blend of Rosé de Saignée and Chardonnay, partly aged in large foudre (large wooden vat), picked in a single vineyard in Urville. Creaminess on the nose holds notions of blood orange peel and beautiful pepper spice with clove overtones. That same creaminess unites lemon, panettone and tart apple flavors on the palate, but sprightly mousse adds a driven, energetic freshness. The result is a combination of richness, spice, aromatic citrus and brightness with substance and length. Lovely." *Anne Krebiehl, MW (Vinous), Nov 2023 – 94 points*
 "The 2010 Champagne Grande Sèndrée Rosé is 20% Chardonnay and 80% Saignée method Pinot Noir, that spent ten years on the lees. Pale salmon-hued with a hint of copper, the nose is elegant and fresh, with ripe stone fruit, apricot, peach, strawberry, and fresh flowers. The palate is dry and structured, with citrus pith and grapefruit, and its tannic grip makes this a gastronomic style to have at the table. *Audrey Frick (JebDunnuck.com), July 2022 – 94 points*
 "Expressive notes of steeped raspberry and cherry fruit pull you into the glass of this vivacious rosé Champagne, riding the satiny mousse and layered with accents of mandarin orange peel, dried thyme and biscuit. A vinous version, with the finely knit flavors underscored by a streak of tangy mineral that drives through the spiced finish." *Wine Spectator – 94 points*

It has an intensity that builds to a pleasant finish which lasts nicely in the mouth. Finishing on peaches and nectarines. Fantastic as an aperitif. The favourite luncheon wine for the wealthy elite on the Cote d'Azur!

BORDEAUX

Bordeaux occupies a pre-eminent place among the world's wine regions. Its special geographical situation enables it to produce more fine wines with more regularity than any other part of France, or any other country. Bordeaux is divided by the rivers Garonne and Dordogne and, after their confluence, the Gironde. The western side, the Left Bank, is home to the great names of the Médoc, Graves and Sauternes whilst the Right Bank houses Blaye, Bourg, Fronsac and, more famously, Pomerol and St Emilion. The two sides offer contrasting geological landscapes with the Left Bank soils being gravel based over limestone, forcing the vines to struggle for survival. Centuries of alluvial deposits, sand, silt, mud and gravel have been offloaded in linear terraces where Cabernet Sauvignon is the dominant variety. On the Right Bank, limestone generally rises to the surface, although one exception is Pomerol with gravel soils and, famously, a button of clay at its' highest point- home to Pétrus. This side of the river favours Merlot in the driving seat with, usually, Cabernet Franc in the blend. The climate is maritime and therefore extremely changeable.

- 054 **Château Haut-Bailly, Grand Cru Classé, Pessac-Léognan, 2018** 195.00
 (55% Cabernet Sauvignon, 35% Merlot, 5% Petit Verdot and 5% Cabernet Franc) Lisa Perrotti-Brown MW, Wine Advocate, March 2021 – 96 points
 “I seriously considered putting one more point on the 2018 Château Haut-Bailly, and for all practical purposes, it's as good as it gets. It has a majestic, full-bodied, multi-dimensional profile as well as a blockbuster bouquet of currants, chocolate-covered cherries, iron, tapenade, and smoked tobacco. It has a sunny, exuberant, uber-sexy style, yet it's not over the top, and it has perfect ripeness (not overripe or underripe), beautiful tannins, and flawless overall balance. It's approachable today yet should hit maturity in another 4-5 years.” *Jeb Dunnuck, JebDunnuck.com, October 2023* – 99 points

Pauillac

 (80% Cabernet Sauvignon, 17% Merlot, 3% Petit Verdot) James Suckling – 94 points, Lisa Perrotti-Brown MW, The Wine Independent – 92 points
 “This is good, showing less dominant oak than in some recent years and with a good level of fruit and extraction. It's a good year for appellation typicity up in this part of the Medoc, well held together, with savoury and juicy fruit. I get the impression that this will close down, because those tannins are pretty serious, and with good levels of freshness this will age very well. They are doing great work at this estate at the moment. .” *Jane Anson, Decanter.com, April 2018* – 93 points

Boasting a deep purple color as well as awesome notes of black raspberries, toasted spices, cassis, lead pencil shavings, tobacco leaf and building minerality, this full-bodied, concentrated 2015 has sweet tannin, a great texture, and a big, big finish. Pauillac all the way, with both opulence and finesse, enjoy anytime over the following two to three decades.” *Jeb Dunnuck, JebDunnuck.com, November 2017* – 98 points

 “Deep garnet-purple colored, the 2016 Lynch-Bages comes charging out of the gate with pronounced cassis, chocolate-covered cherries, mulberries and menthol notions, backed up by scents of garrigue, tilled soil and a waft of tapenade. Medium to full-bodied, rich and fantastically concentrated, the generous fruit is superbly framed by firm, ripe, grainy tannins with tons of pepper, cinnamon and cloves layers coming through on the finish. Truly, a legendary Lynch-Bages!” *Robert Parker Wine Advocate* – 97 points

 “A neoclassical edition of Grand-Puy-Lacoste, this has cedar, graphite, deeply integrated cedar and spicy-oak influence and a very fresh array of ripe blackberries, dark cherries and cassis. The palate is so seamless. It builds beautifully and delivers a long, seamless array of perfectly ripe dark fruit, swathed in fine, firm, ascending layers of tannins. As good as we have seen in recent vintages, this is a star of the vintage.” *James Suckling, February 2019* – 97 points

 2015 has been hailed as an excellent vintage in Bordeaux. Generous flowering took place followed by a hot, dry early summer. August was slightly cooler and damper, followed by good weather in September enabling the grapes to reach full maturity. A fine, elegant wine with plump red berried fruit and delicate hints of oak spice. Smooth and supple on the palate, with fine tannins and a long, persistent finish.

 ‘For me this is easily one of their best ever wines, totally living up to its fifth growth billing. Lovely and juicy with excellent tension, really walking that line. Menthol, cassis and cedar are framed by well-wrought tannins that bring the whole thing together and lead onto a juicy finish.’ *Jane Anson, Decanter.com, April 2017- 93 points*

- 071 **Château Le Gay, 2014** (90% Merlot, 10% Cabernet Franc) James Suckling - 93 points 185.00
 “The 2014 Le Gay has a perfumed and ebullient bouquet with blackberry, leather and warm brick aromas. I appreciate the delineation here and the manner in which it blossoms in the glass. The palate is medium-bodied with fine tannin, well balanced and gentle in style, caressing with pure strawberry and cranberry scents towards the elegant finish. This is a great Le Gay.” *Neal Martin, vinous.com – 94 points*
- 072 **Château Latour à Pomerol, 2016** (96% Merlot, 4% Cabernet Franc) Robert Parker – 94 points 198.00
 ‘This is so attractive. It has a very rich and ripe array of dark berries and dark chocolate with a long, succulent and smooth palate that delivers so much flavor and freshness. The palate has intensity and depth with very convincing fruit concentration, in the dark-plum and berry zone. This is superb.’ *James Suckling – 96 points (Feb, 2019)*

- 082 **Château Kirwan, 2017, Grand Crû Classé** 145.00
 (30% Merlot, 45% Cabernet Sauvignon, 15% Cabernet Franc, 10% Petit Verdot) Lisa Perrotti-Brown MW, Wine Advocate, April 2018 – 90/92 points,
 “This shows fantastic depth and fruit quality for the vintage with crushed currants, raspberries and flowers to the medium to full body, round and ripe tannins and flavorful finish. Good tension and poise. Drink after 2022.”
James Suckling, jamesuckling.com – 93 points, January 2020
 “This is well extracted, with dark berry fruits, attractive tobacco leaf and charcoal notes. It has that same savoury frame that so many from Margaux have this year, and the fruit character is not bursting with generosity but is still expressive and lyrical. It really does offer something for those looking for a more sculpted wine. Medium term drinking.” *Jane Anson, Decanter.com – 91 points, April 2018*
- 090 **BriO de Cantenac Brown, 2019** 99.00
 (48% Merlot, 42% Cabernet Sauvignon, 10% Cabernet Franc) Suitable for Vegetarians, Vinous - 90 points
 “Bramble aromas alongside wild herbal notes and touches of cedar and wood spice. Crunchy and vibrant fruit, this has a really lovely clarity and precision to both the fruit flavours and the tannins. Supple but also with tension and a sense of drive from start to finish. An enticing mineral, wet stone edge underneath as well which gives lift and freshness. A lovely second wine with style.” *Decanter – 91 points*
- 089 **Château Rauzan-Ségla, 2016, 2ème Crû Classé** 205.00
 (68% Cabernet Sauvignon, 30% Merlot, 2% Petit Verdot) Lisa Perrotti-Brown MW, Wine Advocate, November 2018 – 97+ points
 “The aromas of blackcurrants, sweet tobacco and sandalwood are tantalizing. Then it turns to subtle, dried fruit. Full-bodied with dense and powerful tannins, yet ending with finesse and vertical nature. Very deep. Power with finesse.” *James Suckling, JamesSuckling.com, February 2019 – 98 points*
 “Black cherry compote, baked blackberries, and freshly crushed blackcurrants all jump from the glass, followed by hints of rose oil, cardamom, and cedar chest, plus a waft of spice box. Medium-bodied, the palate is super-intense, featuring tight-knit black fruits and floral layers, framed by fine-grained tannins and bold freshness, finishing with impressive length. *Lisa Perrotti-Brown MW, The Wine Independent, December 2022 – 98 points*

 (47% Merlot, 46% Cabernet Sauvignon, 7% Petit Verdot) Neal Martin – 95 points, Wine Enthusiast - 93 points, Decanter – 93 points
 “This stunning wine is one of the vintage’s great successes. Administrator Thomas Duroux has fashioned a modern day version of Palmer’s brilliant 1966. Long, classic, and medium to full-bodied with stunning texture and richness, this superb effort is a candidate for the finest Margaux of the vintage.” *Wine Advocate, 94 points*

 (65% Cabernet Sauvignon, 25% Merlot, 5% Cabernet Franc, 5% Petit Verdot) James Suckling – 94 points, William Kelley, Wine Advocate – 93 points
 ‘The 2016 Gloria is noticeably deeper in color than its peers. It has a charming bouquet of blackberry, briar, brown spices and touches of sandalwood, complex and developing loamy elements with aeration. The palate is medium-bodied with supple tannins and a fine bead of acidity. Quite mineral-driven, leading into a composed, precise finish that indicates careful winemaking from great terroir. Superb.’
Neal Martin, Vinous.com, August 2020 - 94 points
- 086 **Château Léoville Barton, 2017, 2ème Crû Classé** 165.00
 (93% Cabernet Sauvignon, 7% Merlot) Jane Anson, Decanter.com - 95 points, James Suckling, JamesSuckling.com, – 95 points
 ‘The 2017 Leoville Barton is deep garnet in color. It waltzes out with a stunning perfume of redcurrant jelly, warm cassis, and Morello cherries, followed by an undercurrent of peonies, dark chocolate, licorice, and wet slate. The medium-bodied palate delivers a firm backbone of beautifully ripe, grainy tannins and bold freshness to support the layer upon layer of fruit and floral notes, finishing with great length and poise. Stunning!’ *Lisa Perrotti-Brown MW, The Wine Independent, December 2023 – 96 points*
- 080 **Château Ducrû-Beaucaillou, 2004, 2ème Crû Classé** 240.00
 (73% Cabernet Sauvignon and 27% Merlot) Robert Parker – 93 point
 One can’t say enough about the efforts Bruno Borie is pouring into this wonderful estate that I have often called the “Lafite Rothschild of St.-Julien.” An undeniable success, the 2004 Ducrû boasts sweet aromas of creme de cassis, spring flowers, pain grille, licorice, and road tar. This pure, medium-bodied wine possesses moderately high tannin, superb concentration, good sweetness, and low acidity.

Saint-Estèphe

The most northerly of the classic communes, is situated 18 kilometres south of Lesparre.

- 084 **Château Les Ormes de Pez, 2016** 91.00
 (59% Merlot, 42% Cabernet Sauvignon, 6% Cabernet Franc, 1% Petit Verdot) James Suckling – 94 points, Decanter – 93 points
 ‘The 2016 has a tightly wound, graphite-scented bouquet that needs a little coaxing from the glass but eventually reveals discreet mineral scents mixed with sous-bois. The palate is medium-bodied with quite succulent tannin, and certainly more approachable than the Les Ormes de Pez of the past, delivering gentle grip toward the tarry finish. This is a finely crafted Saint-Estèphe.’ *Neal Martin, Vinous – 92 points, Jan 2019*
- 085 **Château Calon-Ségur, 2014** 195.00
 (57% Cabernet Sauvignon, 19% Merlot, 15% Cabernet Franc, 2% Petit Verdot) James Suckling – 96 points, Wine Enthusiast – 95 points
 ‘The 2014 Calon Ségur is a real show-stopper. Unusually ripe, powerful and seductive, the wine exudes class. Myriad shades of plum, sweet red cherry, pomegranate, spice and blood orange are all on display. Wild flowers, tobacco and host of more aromatic notes develop in the glass. Above all else, though, the 2014 is a wine of pure power and breadth. This is yet another fabulous showing for the 2014 Calon Ségur, a wine that vies for top honors in this vintage. Don't miss it.’ *Antonio Galloni, Feb 2017 – 95 points*
- 083 **Château Montrose, 2014, 2ème Crû Classé** 230.00
 (61% Cabernet Sauvignon, 30% Merlot, 8% Cabernet Franc, 1% Petit Verdot) James Suckling - 97 points, Neal Martin, Wine Advocate – 96 points
 The 2014 Montrose is without question one of the standout wines of the vintage. Black cherry, plum, smoke, licorice and lavender are some of the many aromas and flavors that open up in the glass. But the 2014 is a much deeper wine than just a bunch of descriptors can conjure. In 2014, Montrose is a wine of exceptional finesse and polish. The late-ripening vintage allowed for perfect maturation of the tannins and resulted in a silky wine that exudes class and pedigree. The 2014 is not an obvious or bombastic Montrose, but rather a wine of sublime enchantment. Don't miss it! *Antonio Galloni, vinous.com, Feb 2017 – 97 points*

Saint-Émilion Et Montagne

The right bank of the Dordogne, 50 kilometres east of Bordeaux.

- 074 **Château Barrail-du-Blanc, 2022, Grand Crû** 72.00
 (70% Merlot, 30% Cabernet Franc) Suitable for vegetarians.
 Château Barrail du Blanc Saint-Émilion Grand Cru is a French gem. Decadent aromas of black cherries, plum, and hints of spice & oak seduce the senses, while nuanced flavours of ripe red fruits and fine tannins dance on the palate. It's a full-bodied wine with impeccable balance and a charming finish, making it an elegant accompaniment to rich meats and mature cheeses. Truly a sumptuous testament to the refined art of winemaking. Everything you could ever expect from a Grand Crû Saint-Émilion.
- 076 **Château Rocheyron, 2012, Grand Crû** 160.00
 (90% Merlot, 10% Cabernet Franc) Robert Parker – 91 points
 The estate owned and operated by Peter Sisseck, best known for producing Pingus in Spain’s Ribera del Duero. “Peter Sisseck commented that this vintage benefitted from improvements made in the vineyard, and that is evidenced by the nose, much more complex than the 2011 with ebullient red cherry, wild strawberry, minerals and crushed rose petals. The palate is well balanced with fine tannin, with a pinch of white pepper and sea salt on the finish. You start to see the character of the vineyard come through with this vintage. Excellent.” *Neal Martin, Wine Advocate, 91 points (March, 2017)*
- 064 **Tertre Roteboeuf, 2017, Grand Crû** 298.00
 (80% Merlot, 20% Cabernet Franc) Robert Parker's Wine Advocate, 96-98 points, Vinous – 97 points
 “One of the wines of the vintage is the 2017 Château Tertre Roteboeuf, which has much more fruit, opulence, and sexiness than just about every other wine out there. A fabulous terroir on the famed Saint-Emilion Cote Pavie, it reveals a saturated purple color as well as awesome notes of black raspberries, cassis, jammy blackberries, white chocolate, and tobacco. With plenty of classy oak, full-bodied richness, and a dense, powerful style on the palate, it needs at least 4-6 years of bottle age and will keep for 15-30 years or more. It’s a stunning effort from the genius of François Mitjavile.” *Jeb Dunnuck, 97 points, (Feb, 2020)*

BURGUNDY – Red

Côte de Nuits

The Côte De Nuits is a narrow, continuous strip of vines stretching from Dijon to just north of Beaune. It is a semi-continental climate with minimal Atlantic influence, which results in a long, cold winter, a humid spring and a fairly hot, very sunny summer. The vines grow at a height of between 225-350 metres. The soil is a chalky scree mixed with marl and clay particles. For red wines, the grapes are almost always de-stemmed and the juice is kept in contact with the skins for between 8 or 10 days. Less than 3 per cent of the wine produce is white, but this is mostly high quality and traditionally cask-fermented. *Côte de Nuits wines are 100% Pinot Noir.*

- 101 **Marsannay, Joseph Roty, 2021** 112.00
 “This is a ripe '21 with its notes of plum, black raspberry, cherry, herbal tea and prominent earth influence. I like the texture of the dense and vibrant medium-bodied flavors that deliver solid depth and persistent on the balanced finish that possesses enough structure to repay a few years of keeping. Note: from all 3 sectors of the appellation” *Allen Meadows, Burghound.com, January 2024 – 88 points*
- 103 **Morey St. Denis, 1^{er} Crû, Les Chaffots, Domaine Hubert Lignier, 2018** 195.00
Decanter, September 2019 - 94 points, Vinous, January 2020 – 92/94 points
 “The 2018 Les Chaffots wafts from the glass with aromas of plums, cinnamon, peonies, orange rind and raw cocoa. Medium-bodied, fine-boned and lively, it's bright and nicely concentrated, with youthfully chalky tannins and a saline finish. As usual, this is one of the more tightly wound premiers crus in the range, with an elegant, rather ethereal profile, and it will reward bottle age.” *Wine Advocate, January 2021 – 92 points*
- 105 **Chambolle-Musigny, Domaine Confuron-Cotetidot, 2009** 108.00
 Discreet wood frames brooding and ripe earthy dark berry fruit aromas, in particular cassis that complement the pure, supple and round medium-bodied flavors that possess a subtle mineral-streak on the delicious, balanced and lingering finish where the wood resurfaces. *Allen Meadows, Burghound – 90 points*
- 106 **Nuits St. Georges, 1^{er} Crû, ‘Les Vaucrains’, Lucien Le Moine 2020** 210.00
 ‘Notably ripe yet nicely fresh and even cool aromas of poached plum and dark berry fruit coulis are trimmed in hints of earth and the sauvage. The palate impression of the big-bodied and powerful flavors is one of contrasts as the mid-palate is actually nicely refined if dense whereas the wonderfully persistent finish is robust, muscular and borderline rustic, as well as exceptionally firm. Sweet spot, Outstanding.’ *Allen Meadows, Burghound – 92/94 points (10/04/2022)*
- 111 **Echézeaux, Grand Crû, Domaine du Clos Frantin, 2013** 255.00
 “Here the wood treatment stops just short of fighting with the otherwise very fresh, ripe and restrained aromas of primarily red and dark currant aromas that are liberally laced with sauvage, wet stone and newly turned earth scents. There is also a touch of oak on the palate where the saline and intensely mineral-driven middle weight plus flavors display outstanding length and very fine depth on the well-balanced finale. This will need at least 6 to 8 years of bottle age to be approachable and should reward 12 to 15 years if desired.” *Burghound – 92 points, Jan 2016*
- 107 **Gevrey-Chambertin, Clos du Couvent, Monopole, Domaine du Couvent, 2021** 135.00
Certified Organic, Suitable for Vegans, Jasper Morris – 92 points
 A 0.4 hectare plot, located within the garden of the Varoilles winery in Gevrey-Chambertin, and surrounded by a stone wall. Ripe raspberry and redcurrant fruit, with a pure, tender immediacy. As Philippe Chéron says, “there is a natural ripeness in this plot, requiring a hands-off approach—probably because the surrounding wall creates a micro-climate.” He describes drawing out the elegance of the old vines.
- 108 **Clos De Vougeot, Grand Crû, ‘Cuvée Classique’, Château De La Tour, 2018** 260.00
 “The 2018 Clos Vougeot Grand Cru has turned out very nicely, unwinding in the glass with aromas of blackberries, cassis, dark chocolate, sweet soil tones and peonies. Full-bodied, layered and concentrated, it's deep and youthfully reserved, with powdery tannins, succulent acids and chalky grip on the finish.” *Wine Advocate – 94 points (January 2021)*
 “François Labet makes not one but three of the best expressions of this sprawling heterogenous Grand Cru. His 'classic' cuvée is picked last of the trio from 'young' vines are still over 50 years of age. Made with 100% whole bunches, it's fine, spicy, yet showing some grip and backbone, with notes of forest floor and clove spice and scented one-third new oak.” *Decanter – 95 points*
 “The 2018 "Cuvée Classique" displays good amplitude on the nose, incense and iris flower permeating the vibrant black fruit; there is real depth and complexity here. The mineral-driven palate is very well balanced with gentle grip and a chalky finish similar to the Vieilles Vignes. Superb.” *Vinous - 96 points (Dec, 2020)*
- 112 **Vosne-Romanée, Domaine des Perdrix, 2022** 175.00
 ‘A spicier nose reflects aromas of moderate wood, black pinot fruit and a violet hint. There is again very good energy to the delicious and nicely textured, even refined, medium-bodied flavors that terminate in a lingering finish where a touch of bitter chocolate slowly emerges.’ *Allen Meadows, August 2023 - 89/91 points*
 “This red starts out elegant and silky, featuring cherry, raspberry, violet, cinnamon and spice flavors. Broadens midpalate, with density to the tannins and a touch of heat. Balanced, long and satisfying nonetheless.” *Wine Spectator – 93 points*

Côte Chalonnaise

Three islands of vines situated to the west of Chalon-Sur-Saône, 350 kilometres southeast of Paris, between the Côte De Beaune in the north and the Mâconnais in the south. - 104 **Mercurey, “Les Montots”, Domaine de Villaine, 2022** 98.00
Certified Organic Suitable for Vegetarians. Antonio Galloni, Vinous – 90+ points
 “Les Montots” 2022 reveals a particularly bright and precise nose focused on violet and fresh blueberry. Beautiful evolution on sweet spices and black pepper. On the palate, the material shows a beautiful depth crossed by a beautiful acidity and solid tannins.

Côte de Beaune

The Côte De Beaune abuts the Côte De Nuits on its southern tip and stretches almost 30 kilometres past the town of Beaune to Cheilly-Lès-Maranges. This area has a slightly wetter, more temperate, climate than the Côte De Nuits and the grapes tend to ripen a little earlier. A series of east-facing slopes, up to two kilometres wide, which curve in and out, to give some vineyards northeastern, some southeastern aspects. Here the vines grow at a height of between 225-380 metres on slightly less steep slopes than those of the Côte De Nuits. The soil is a limestone subsoil with psoriatic beds of oolitic ironstones with flinty, clay and calcareous topsoil. For the red wines, the grapes are almost always de-stemmed and the juice kept in contact with the skins for between 8 and 10 days. Classic white wines are cask-fermented and the best wines, both red and whites, matured in oak. *All our Côte de Beaune wines are 100% Pinot Noir.*

There is both excellent size and weight to the very punchy middle weight plus flavors that also brim with minerality on the suave, sappy, well-muscled and impressively persistent finish that also displays a hint of warmth." <i>Burghound, April 2022 – 94 points</i></p> |

This is sufficiently reduced to push the underlying fruit to the background. There is excellent vibrancy to the sleek medium weight flavors that possess a lovely and sophisticated mouthfeel thanks to the dense but fine-grained tannins, all wrapped in a complex and lingering finish that flashes the hallmark austerity of a typically La Chanière. This is built on its minerality and old school in style so patience required. <i>Burghound – 91/93 Points *Outstanding*</i></p> |

Dark plum-bramble in colour. This offers a rather masculine, earthy, mineral and pepper-spiced nose before a palate which has a complementary personality - profoundly red-fruited. Suave and seductive initially there is real sweetness here, much more charm than suggested initially and a characterful grainy minerality on the finish. Suave and seductive there is attractive sweetness here, lots of charm and a characterful finish.</p> |

BURGUNDY – White Côte de Beaune

Côte De Beaune abuts the Côte De Nuits on its southern tip and stretches almost 30 kms past the town of Beaune to Cheilly-Lès-Maranges. Slightly wetter, more temperate, climate than the Côte De Nuits and the grapes tend to ripen a little earlier. A series of east-facing slopes, up to two kilometres wide, which curve in and out to give some vineyards north-eastern, some south-eastern aspects. Soil is a limestone subsoil with sporadic beds of oolitic ironstones with flinty, clay and calcareous topsoil.
All the wines in this section are 100% Chardonnay.

- 208 **Bourgogne Chardonnay, Domaine Justin Girardin, 2021** 69.00
Domaine Justin Girardin is located in Santenay, in the Côte de Beaune in Burgundy. The Girardin family has been present in Burgundy since 1570 and Justin represents the 13th generation to operate the family estate of 17 hectares. The vineyard is managed according to the principles of biodynamics without certification.
'An expansive, complex bouquet evokes fresh pear, white peach and honey. Dry and stony on the palate, offering intense citrus and orchard fruit flavors and a touch of anise. Closes with building smokiness, a touch of bitter pear skin and very good persistence.'
- 213 **Auxey-Duresses, 'La Macabrée', Olivier Leflaive, 2022** Suitable for Vegetarians 120.00
An excellent site, nudging Meursault Vireuils. The name is linked etymologically to marais and marécage ('marsh'), relating probably to the parcel's deep calcareous clays, which tend to retain moisture; ever more crucial when rainfall is scarce. This is quite simply a lovely wine, something of a 'mini-Meursault' perhaps, everything in its place: a curve of ripe fruit, a sense of matière, a waft of smoky oak, the palate gently creamy and satisfying in the mouth.
The village of Auxey-Duresses is a stone's throw away from Meursault, resulting in a wine that is very similar in style. 'La Macabrée' is one of the top vineyards of the appellation.
- 212 **St Aubin, 1^{er} Crû, 'Dents de Chien', Olivier Leflaive, 2022** Suitable for Vegetarians 145.00
On the nose, aromas of licorice and flowers blend harmoniously. On the palate, the texture is both consistent and saline, with light nuances of camphor and menthol at the end of the tasting. The acidity is well balanced, bringing a pleasant freshness to the whole. Winemaker Franck Grux's favourite St Aubin. His "grand vin" of the appellation, and the one he recommends with dinner. Harmonious and complete, 'Dents de Chien' simply sings for its supper.
- 215 **Meursault, 'Les Chevalières', Xavier Monnot, 2021/2022** 150.00
Suitable for Vegetarians, Vinous, January 2023 – 91 points
'Perfumed, with white flowers, lime, peach, vanilla and smoky mineral aromas and flavors, this white is on the creamy side, yet vibrant, with terrific harmony and an extended finish. Drink now through 2030.' *Wine Spectator, October 2023 – 95 points*
- 219 **Puligny-Montrachet, 'Les Enseignerres', François Carillon, 2022** Suitable for Vegetarians 185.00
"The surprising concentration of this village-level Puligny shares a bit of the density of the grand Crus — the terroir is just across the road from Blenvenues-Bâtard-Montrachet. The 2022 boasts aromas that range from lemon peel to ripe William pears with floral notes and an accent of exotic spice. The texture is rich but balanced by freshness, giving the wine elegance and a dynamic edge — Carillon farms 0.70 hectares in four parcels. The grapes are affected by millerandage and provide tiny, concentrated berries and make a wine that will drink young but has enough substance for ageing."
Charles Curtis MW, Decanter, Nov 2023 – 95 points
"A little paler in colour with striking class and indeed some elegance. Just a little vanilla but it is really the intensity of white fruit speaking. I was thinking 1er cru at first sniff. The oak returns on the palate, no problem at this early stage, because there is a wealth of fruit to accompany it. The balance and the finish are impeccable. Old vines again." *Jasper Morris, MW, Inside Burgundy, Oct 2023 – 94 points*

A masterful wine of unprecedented youth and complexity. Already on the nose, one detects all the race, the power and the complexity of this great vintage. Aromas of ripe peaches and citrus fruits mingle with spicy notes, white flowers, light honey and fresh pastry... Wow what a nose! Rich and wide mouth with a perfect maturity where we can detect all the greatness of this Corton-Charlemagne Grand-Crû.
- 223 **Chassagne-Montrachet, 1^{er} Crû, "Les Caillerets", Vincent & Sophie Morey, 2022** 170.00
"Firm reduction dominates the nose today so be sure to decant this if you're tempted to crack a bottle upon release. The notably finer, but not denser, middleweight flavors possess a really lovely texture while delivering fine length on the slightly more complex and but markedly more mineral-driven finale. Lovely and worth your attention.*Burghound Outstanding!*" *Burghound, June 2024 - 92 points*
- 220 **Bâtard-Montrachet, Grand Crû, Vincent & Sophie Morey, 2017** 265.00
With less than 800 bottles produced, this rare wine is powerful, muscular and concentrated, with youthful notes of citrus and hazelnut, subtle spice from 60% new oak, and a fabulously long finish that befits its Grand Crû origins.
"A fresh, ripe, elegant and quite floral nose evidences hints of apple, pear and discreet spice aromas that are trimmed in relatively generous if not actually intrusive wood. The lavishly rich, full-bodied and mouth coating broad-shouldered flavors possess fine concentration and power while exhibiting excellent length on the well-balanced finale." *Burghound – 93 points*

 The richest white Burgundy in the de Villaine stable, this Rully is an exercise in balance. Hazelnut and quince paste greet the nose, followed by a dense mouthful of ripe, succulent yellow fruits. Despite its voluptuousness, the wine is dry, fresh, very stony, and even salty—mouthwateringly delicious. This vintage is magnificent and ample proof of the high quality of terroir in this southern stronghold of Burgundy.

Le Mâconnais

Situated halfway between Lyon and Beaune, its vineyards adjoin those of the Mercurey region to the north and overlap with those of Beaujolais in the south. A topsoil of scree and alluvium or clay and clay-sand, covering a limestone subsoil. *All the wines in this section are 100% Chardonnay*

- 206 **Saint Véran, 'Les Chatenays', Domaine Carrette, 2023** 61.00
 The small appellation of Saint-Veran is one of southern Burgundy's insider secrets. A 16ha estate nestling beneath the imposing rock of Vergisson, this small family domaine is run by Nathalie and Hervé Carrette. Les Chatenays comes from a 1ha block at 390m-400m on sandy/limestone clay soils. There is plenty to enjoy here with the richness and ripeness allied to vibrant acidity on the palate. Not over the top, but a fine combination of fruit ripeness and focus. Subtle lees-aged character with mineral notes to finish. A high-class, fine example of St-Véran.
- 216 **Mâcon-Verzé, Domaine Leflaive, 2022** Suitable for Vegetarians, Bio-dynamic, Organic 95.00
 "The 2022 Mâcon-Verzé is a standout wine, offering a superb balance of fruit, acidity, and minerality. The wine is fresh and vivid, with notes of citrus, green apple, and a hint of chalky minerality. It's a wine of remarkable purity and precision, showing the class and refinement that Leflaive is known for. A wine that is as refreshing as it is complex." *Vinous, July 2023 – 91 points*
- 204 **Pouilly-Fuissé, Cuvée Classique, Maison Auviog, 2022** Suitable for Vegans 86.00

Chablis

Isolated halfway between Beaune and Paris, barely 30 kilometres from the southernmost vineyard of Champagne, but 100 kilometres from the rest of Burgundy. This area has a semi-continental climate with minimal Atlantic influence, which result in a long, cold winter, a humid spring and a fairly hot, very sunny summer. All *Grand Crû* are located on one stretch of southwest-facing slopes just north of Chablis itself, where the vineyard are at a height of between 150-200 metres. Apart from the southwest-facing slopes of "Fourchaume" and "Montée De Tonnerre", the Premier Crû slopes face southeast. *All the wines in this section are 100% Chardonnay*

- 202 **Chablis, 'Vaillons', 1^{er} Crû, William Fèvre, 2021** 115.00
 Bio-dynamic, Jasper Morris – 91-93 points, Decanter – 93 points, Wine Advocate – 91 points
 "Note: from a huge 3.5 ha holding that is composed by <75% of Vaillons proper with the remainder from Roncières, Mélinots and Châtains Here too there is a vague suggestion of the exotic on the slightly riper aromas of pear compote, ocean spray, iodine and wet stone. The rich, vibrant and palate coating flavors are also supported by bright acidity that carries over to the wonderfully long, youthfully austere and firm finale. This beauty should age effortlessly. *Sweet Spot, Outstanding* " - *Burghound, Oct 2022 – 93 points*
- 203 **Chablis, 'Bougros', Grand Crû, William Fèvre, 2017** 150.00
 Vinous – 94 points, James Suckling – 94 points, Allen Meadows (Burghound) – 93 points
 'Bougros is often a bit generous and blousy in style for my tastes, but the 2017 has all of the cut, sizzle and reserve I could ever hope for! The bouquet is pure, complex and very classy, offering up scents of pear, lime blossoms, a complex base of chalky minerality and a nice touch of youthful smokiness in the upper register. On the palate the wine is deep, full-bodied, precise and very, very mineral in profile, with a superb core of fruit, great focus and balance, snappy acids and a long, laser-like and nascently complex finish. A truly great example of Bougros.' *John Gilman – 95 points (Dec, 2019)*

RHÔNE

Stretching from to Avignon, the Côtes-Du-Rhône appellation occupies a 200 kilometres length of the banks of the river Rhône. In terms of grape variety, the Rhône divides neatly into two, the Syrah dominated north and the Grenache influenced south, although there are those who unnecessarily confuse the issue by separating the southernmost section of the northern district and calling it the Middle Rhône. The contrasts between north and south are not, however, merely viticulture, both the terrain and climate differ dramatically and the social, cultural and gastronomical differences are also marked.

NORTHERN RHÔNE – Red

The Northern Rhône wine region lies between the towns of Vienne and Valence. The meandering valley is narrow and steep-sided here, forging its path through granite hills, and vines compete for space with oak forests and peach orchards. The focus here is on the production of fine quality grapes yielded in tiny quantities from high, sun-exposed terraced vineyards tended by hand.

- 128 **Crozes-Hermitage, Domaine de Thalabert, Paul Jaboulet Aîné, 2018** 87.00
 (100% Syrah), Certified Organic, James Suckling – 93 points
 "The 2018 Crozes Hermitage Domaine de Thalabert boasts scents of cracked pepper, black olives, spice and ripe plums. Showing lovely weight and richness on the medium to full-bodied palate, this vintage is a bit forward and just plain yummy, framed by soft, dusty tannins and lingering notes of licorice and espresso on the finish." *Wine Advocate – 93 points*
 "Pungent, spice-accented cassis, cherry, licorice and floral qualities on the powerfully scented nose. In an ample, weighty style, offering an array of black/blue fruit flavors that pick up a hint of smokiness on the back half. Finishes impressively long and chewy, with mounting tannins and a strong echo of dark fruit preserves." *Vinous – 93 points*
- 125 **Saint-Joseph, ‘Terres d’Encre’, Domaine Georges Vernay, 2018** 98.00
 (100% Syrah) Suitable for Vegetarians, Wine Spectator – 93 points, Antonio Galloni’s *Vinous* – 93 points
 “Another outstanding wine, the 2018 Saint Joseph Terres D’Encre has a smoky, mineral-laced style carrying lots of blackberry and mulberry fruits, notes of ground pepper, gunflint, and smoke, medium-bodied richness, and polished tannins. This is a classic, mineral-driven Saint Joseph to enjoy over the coming 7-8 years, if not longer.” *Jeb Dunnuck – 91 points*
- 135 **Cornas, “La Sabarotte”, Domaine Courbis, 2012** (100% Syrah) *Wine Advocate* – 93/95 points 111.00
 Domaine Courbis appears to have an enlightened winemaking style, using some small oak casks and picking ripe fruit, but never losing the typicity one expects of these wines. Brothers Laurent & Dominique Courbis are avid believers in terroir, and the top cuvées are named after their respective vineyards.
 “Takes a ripe, modern approach at first, with roasted fig, crushed plum and raspberry notes leading the way, but also lots of roasted earth, and tobacco notes tugging from underneath to keep this honest. A piercing chalky streak emerges on the finish, providing added length and range. Very impressive.” *Wine Spectator*
- 130 **Côte-Rôtie, Blonde du Seigneur, Domaine Georges Vernay, 2021** 132.00
 (95% Syrah, 5% Viognier) Suitable for Vegans Robert Parker – 94 points
 ‘A very elegant and fresh Côte-Rôtie with excellent mineral freshness on the elegant and medium-bodied palate. Long, lively finish with lots of wet stone character, as well as hints of spice and licorice. From two hectares of vines on granite terraces at the southern tip of the appellation.’ *James Suckling – 94 points*
 “Coming from great terroirs in the heart and south of the Côte-Rôtie, this little-known cuvée is a paragon of fine and fragrant Syrah: aromas of ripe exotic fruits (citrus, mango), which evoke a very beautiful maturity of fruit. Very fine tannins, finely woven, giving the whole a sensual texture and substance. A deep, languorous wine, highlighted by high-class aging!” *Wine Advocate – 95/100*
- 157 **Hermitage, Tardieu-Laurent, 2012** 125.00
 (100% Syrah) Suitable for Vegans, Josh Raynold, *Vinous*, December 2014 – 92-94 points
 “The 2012 Hermitage shows the richness of this appellation, with masculine, muscular aromas and flavors of graphite, cracked pepper, smoked earth and copious black and blue fruits. Full-bodied, rich and concentrated, with ample tannin and concentration, it’s a big wine that will need short-term cellaring to become approachable. Give it 3-4 years and enjoy over the following 12-15 years.” *Jeb Dunnuck, Wine Advocate – 91-93+ points, Dec 2013*

NORTHERN RHÔNE – White

- 228 **Condrieu, Tardieu-Laurent, 2023** 115.00
 (100% Viognier)
 “Slightly deeper hued (barely) than the classic Condrieu, the 2023 Condrieu Vieilles Vignes is another tour de force from this producer. Stone fruits, toasted nuts, orange liqueur, and crushed stone all give this a slightly more mineral-laced, masculine style. Medium to full-bodied on the palate, it’s concentrated, has a pure, layered mouthfeel, a terrific sense of freshness, and outstanding length, with a touch of salinity on the finish.” *JebDunnuck, JebDunnuck.com, May 2024 – 95 points*
- 222 **Crozes-Hermitage, Alain Graillot, 2016** (80% Marsanne and 20% Roussanne) 78.00
 Alain Graillot's white Crozes-Hermitage, which is now bottled under screwcap for freshness, is made from a classic wine blend of Marsanne and Roussanne. It has attractive apricot and wild flower aromas and a fresh, mineral-edged palate with subtle white peach flavours and a clean, dry finish.
- 227 **Saint-Joseph, ‘Les Granits’, M. Chapoutier, 2007** 95.00
 (100% Marsanne) Bio-dynamic, Suitable for Vegetarians
 “The 2007 St.-Joseph Les Granits blanc exhibits exotic notes of orange marmalade, tropical fruits, honeysuckle, and citrus, and a more earthy component than the 2006. It may reveal less minerality and more obvious fruit and flamboyance.” *94-96 points, Robert Parker*
 “Lush up-front, with creamed pear, ginger, brioche and green almond notes that give way to a racy edge on the mouthwatering, floral-tinged finish. Long and lingering yellow apple note, too.” *93 points, Wine Spectator*

SOUTHERN RHÔNE – Red

The Southern Rhône is quite different and much more expansive, a provençale idyll with its gently rolling hills carpeted with olive groves and vineyards, luminous sunlight and scents of wild thyme. At the heart of the southern Rhône just beyond the Roman town of Orange lies the famous wine village of Châteauneuf-du-Pape, the Popes' summer residence when the papacy was based in Avignon in the 1300s. Clearly, the Papacy knew where to go for proper refreshment, and the wines of Châteauneuf have since achieved worldwide renown. The vineyards of the southern Rhône stretch out in all directions from Avignon, south-west beyond Nîmes towards the Languedoc, east into the Vaucluse département, to the slopes of the mighty Mont Ventoux and the Lubéron.

- 124 **Côtes Du Rhône, 'Parallèle 45', Paul Jaboulet Aîné, 2024** 48.00
 (53% Grenache, 41% Syrah, 3% Carignan 3%, 3% Marselan) Suitable for Vegans, Certified Organic
 "The smoke and black pepper notes of syrah are intertwined with the fleshiness and mellower personality of the grenache grape in a very convincing manner. Behind this is a solid base of supple tannins that has been expertly crafted." *Stuart Pigott, jamessuckling.com – 91 points*
- 129 **Châteauneuf-du-Pape, E. Guigal, 2016** 99.00
 (70 % Vieux Grenache, 15 % Mourvèdre, 10% Syrah 5% other varieties) Suitable for Vegans
 'Baking spices, cola and raspberry notes all appear on the nose of the 2016 Châteauneuf du Pape. It's full-bodied and velvety, folding in hints of French roast and dark chocolate on the lingering finish. It should drink well for a decade or more.' *Wine Advocate – 92 points*
 "Solidly built, featuring cherry and plum paste notes, laced with stony minerality, tobacco and garrigue accents. This has grip but remains well-integrated, ending with subtle persistence on the cedar-tinged finish. Best from 2020 through 2030." *Jeb Dunnuck – 92 points*
- 127 **Gigondas, Les Souteyrades, Saint Damien, 2020** 74.00
 (80% Grenache, 20% Mourvedre), Suitable for Vegans, Certified Organic, Josh Reynolds, Vinous – 95 points (01/2023)
 "The 2020 Gigondas Les Souteyrades is also utterly brilliant. Giving up lots of kirsch liqueur, orange blossom, ground pepper, and herbes de Provence-like aromatics, it hits the palate with full-bodied richness and a layered, seamless, elegant mouthfeel that has awesome tannins as well as purity of fruit. It's another sensational Gigondas to enjoy over the coming two decades. *Jeb Dunnuck – 97 points (03/2023)*
 The vines are grown in the limestone and clay soils of the parcels situated on the hillside terraces of Gigondas. The vines are grown in the named plot or 'lieu dit' of Souteyrades, which is situated in the south of the appellation. The Grenache vines date back to 1948 and the Mourvèdre vines to 1977.
- 126 **Vacquéyras, Domaine de L'Espigouette, 2018** 59.00
 (80% Grenache, 15% Syrah and 5% Mourvèdre) Wine Enthusiast – 92 points
 Made from 80% Grenache, 15% Syrah and 5% Mourvedre that saw a traditional vinification and 12 months all in old foudre. Dark red in color, deep in purple tints. Good clarity and good brightness. The nose is open with scrubland (garrigue) fragrances and something fresh, almost camphor. Then an explosion of black fruit with aeration. Nice balance, typical of the success of the Rhône Valley in this vintage. A perfect light oak complexity. The mouth is powerful and voluminous with a delicious sweetness from the outset.
- 133 **Châteauneuf-du-Pape, Château de Beaucastel, 2020** 165.00
 (30% Grenache, 30% Mourvedre, 15% Syrah, 10% Counoise, 5% Cinsault, 10% Vaccarèse, Terret Noir, Muscardin, Clairette, Picpoul, Picardan, Bourboulenc, Roussanne) Organic (certified) *Jeb Dunnuck, JebDunnuck.com, October 2023 – 94 points*
 "Very dense black-fruit aromas, but also licorice, an entire microcosm of spice and a whiff of smoked bacon. Very dense and meaty with an incredible tannin structure that enables this to be simultaneously very big and elegant. Super-long finish with enormous mineral freshness. Drink or hold." *James Suckling, JamesSuckling.com, February 2022 – 97 points*
 "Fresh and bright nose, then a palate with exceptionally smooth and fine tannins, lovely acidity and notes of blackberry and raspberry juice. Particularly fine, elegant and balanced this year. Grenache and Cinsault fermented in cement, Syrah and Mourvèdre fermented in foudre." *Decanter, 2020 – 96 points*

SOUTHERN RHÔNE – White

- 217 **Côte du Rhône, Les Becs Fins, Tardieu-Laurent, 2018** 57.00
 (55% Viognier, 30% Grenache Blanc, 10% Roussanne, 5% Clairette) *Jeb Dunnuck – 90 points*
 This shows real character. The nose and palate equally present stone fruit and peaches and cream allied to floral notes and a fresh, brisk acidity. One parcel of Viognier is from the Côte de Ventoux territory, near vineyards where red tends to dominate - very different terroir for Viognier. Here it's more gregarious elements are reined in somewhat by the power of the location so that it adds a much more subtly aromatic character to the finished wine. Mineral elements also complement the perfumed fruit. This is a fine introduction to modern Rhône whites.
- 224 **Coudoulet de Beaucastel, Château de Beaucastel, 2019** 86.00
 (30% Marsanne, 30% Viognier, 30% Bourboulenc, 10% Clairette)
 Organic (certified) Biodynamic (not certified/in conversion)
 "There's a gentle headiness, a slight exoticism to the 2019 Coudoulet blanc. A little banana to the pear fruit. Rounded, full-bodied but a good sense of freshness. The bitterness is a little more pronounced this year, but still works well structurally. Gently oily, but there's a keen steeliness even if the acidity is only moderate. Has some serious presence for a Côtes-du-Rhône." *Decanter, Oct 2020 – 92 points*
- 226 **Châteauneuf-du-Pape, Domaine de Beurenard, 2022** 112.00
 (30% Clairette, 25% Bourboulenc, 22% Roussanne, 20% Grenache Blanc, 3% Picpoul & Picardan) *Jeb Dunnuck – 94/95 points*
 "A beautifully alluring white, with acacia flower perfume followed by slightly honeyed citrus and yellow apple. Shows a savory bed of crushed flint that grounds the palate, filled out with fleur de sel and shortbread notes. Brimming with energy, this is well-balanced through the medium-to-long finish, which is flecked with grapefruit pith and smoke. Drink now through 2032." *Kristen Bieler, Wine Spectator – 94 points*

LOIRE – White

From in the source in the Cévennes mountains, the Loire flows through about 1000 kms and twelve *départements* of green, peaceful countryside, ancient towns and fine châteaux before reaching the Atlantic. It is the longest river in France, and the variations in soil, climate and grape varieties found along its banks and those of its tributaries are reflected in the wide range of wines grown in the four major wine-producing districts. Running east from the Bay of Biscay, the districts are Nantes, Anjou-Saumur, Touraine and the Central Vineyards.

- 243 **Muscadet Sèvre et Maine, ‘Abstraction #1’, Domaine Phillippe Guerin, 2023** 44.00
Muscadet is having something of a renaissance right now. This crystalline example from Philippe Guérin is a lip-smacking palate cleanser, packed with zesty, pure fruit. The pithy grapefruit notes are balanced by sweeter impressions of white grape and green melon and the high acidity pierces through bringing a wonderful tensile quality to the palate.
- 236 **Vouvray Sec, ‘Les Calcaires’, Domaine de la Rouletière, 2024** (100% Chenin Blanc) 46.00
Located in the heart of some of the most sought-after slopes in Vouvray, the grapes are grown in a single vineyard ‘les Calcaires’, which is certified organic. Turonian limestone hillsides, interspersed with confluent valleys and is covered with ‘perruche’, a flinty clay soil which imparts elegance to the wine. A classic Vouvray with attractive aromas of apple, grape and vine peach complemented by mineral overtones. Beautifully balanced with a lively and persistent finish.
- 240 **Touraine Sauvignon, “Luc Poullain”, Domaine des Echardières, 2023** 48.00
They call Luc Poullain ‘Mister President’ in these parts, being the brains behind the relatively newly created Touraine-Chenonceaux appellation. Located on what is referred to as the Premier Côte above the neighbouring commune of Pouillé. Here, there are seven hectares of Sauvignon planted on silex and caillotes – the same one would expect to find in Sancerre and Pouilly. Grassy freshness – clearly Sauvignon Blanc but none of the exotic gooseberry or elderflower aromatics of NZ examples.
- 242 **Reully, Gérard Cordier, 2021** (100% Sauvignon Blanc) 48.00
A fantastic, understated Sauvignon with a classical but subdued ‘mown grass’ and alluring elderflower scents and the zesty, whistle-clean, bone-dry palate is full-bodied and displays a bracing bouquet of wild flowers and camomile with crisp, nettle and gooseberry flavours. A lively citric zest which is followed by a long, clean finish. A beautifully expressive Sauvignon. Very food friendly and quaffable.
- 238 **Pouilly Fumé, “Les Origines”, Domaine A & E Figeat, 2024** 55.00
(100% Sauvignon Blanc) Suitable for Vegans, Organic.
Across the Loire River from Sancerre, a clean and crisp Pouilly Fumé. Flinty, fossil-rich soils of Figeat’s vineyards, and classic winemaking (no oak, keeping the purity of the grape & place), makes for a quintessential Loire Valley Sauvignon Blanc. Smell & taste fresh limes (with the zest), grapefruit, Granny Smith apples. Nice, rich mouthfeel makes it a good match for white meats, shellfish and goat cheese.
- 241 **Menetou-Salon, Domaine Jean-Jacques Teiller, 2022** (100% Sauvignon Blanc) 65.00
A delightfully fruity and wonderfully expressive wine with delicate floral aromas. An exuberant palate of ripe, juicy, almost tropical fruit displays subtle citrus tastes and yields a fresh, crisp finish. The atypically ripe, juicy style of Loire Sauvignon is almost certainly influenced by the year that Patricia Teiller and husband Olivier Luneau (who now run the estate) spent winemaking in New Zealand. Historically Menetou Salon has always been overshadowed by its glamorous neighbour Sancerre, which produces more than ten times the volume of wine, not necessarily of superior quality.
- 237 **Sancerre, Domaine de la Grande Maison Chaumeau-Balland, 2024** 66.00
(100% Sauvignon Blanc) Suitable for Vegans
A classic Sancerre with aromas of white flowers, lemon, pear and gooseberries with a creamy palate of grassy herbaceous notes balanced by a vibrant fresh acidity and a clean finish. This exuberant, single vineyard Sancerre is hard to beat with its ripe, grassy fruit and complex minerality.
- 234 **Savennières, Château d’Epiré, 2014** (100% Chenin Blanc) 55.00
Diverse aromas of honeysuckle, wild flowers and gun flint precede a palate that develops in the glass. It is, intentionally, a tad oxidative (in a good way not unlike a Manzanilla sherry) with stone fruit, mineral and wild herb notes leading to a persistent, ethereal, dry finish. It gains a darker colour, complexity and concentration with (up to 10 or more, years) bottle age and every discerning cellar should have some.
- 244 **Pouilly Fumé, ‘Haute Densité’, Château De Tracy, 2019** 115.00
(100% Sauvignon Blanc) Suitable for Vegans Wine Spectator – 91 points, Wine Enthusiast – 94 points
Pale yellow in colour with golden highlights. Notes of crystallised fruit and citrus fruit such as bergamot. After a short time in the glass, the nose intensifies and becomes more complex, marrying aromas of vanilla, caramel, pecan nuts and white flowers (acacia). The overall impression is one of freshness. There are lovely initial sensations continuing the flavours of crystallised fruit on the palate which is full, vivacious and floral. After a while, oaky aromas appear, revealing notes of vanilla and caramel. The finish is spicier (green pepper), slightly tannic with great length.

LOIRE – Red

- 123 **Saumur-Champigny, ‘Les Villaises’, Caves de Saumur, 2022** 45.00
(100% Cabernet-Franc) Suitable for Vegans
In the Saumur region the tufa stone unites with the climate of the Anjou region to give Saumur wines their character. An excellent alternative to Beaujolais. Exhibiting warm and inviting aromas and flavours of violets, blackcurrant and strawberry jam. Tannins are well present but ripe and silky and the finish is long and vibrant.
- 119 **Anjou, Cabernet Franc, Clau de Nell, 2021** (100% Cabernet Franc) 68.00
“Notes of green bell pepper, spices, pepper, violet and dark wild berries introduce the 2021 Anjou Cabernet Franc, a moderately weighted, layered and tense wine that is seamless with fine-grained, powdery tannins and concludes with a long, penetrating finish despite some meaty notes.”
Yohan Castaing, Wine Advocate (August 2024) – 89 points

ALSACE

Alsace is the only classic region in France that has built a reputation on pure varietal wines. Some 95 per cent are dry white wines produced from a collection of essentially French or German grape varieties. A fascinating mixture of French and German characteristics pervade this fragment of France that is cut off from the rest of the country by the barrier of the Vosges mountain range, and separated from neighbouring Germany by the mighty Rhine.

- 230 **Riesling, Dopff au Moulin, 2022** 46.00
A delicate floral bouquet is complemented by expressive and characteristic lemon notes. Supple and fruity, on the palate this is dry and zesty with refreshing mineral notes; a great expression of Alsace Riesling.
- 250 **Pinot Blanc Auxerrois, Cave de Cléebourg, 2023** 42.00
Moreish and quirky version of Pinot Blanc. This curious cousin of Pinot Blanc is known as Auxerrois specifically in Cleebourg, Northern Alsace. With smaller yields than its' more famous relative, this Pinot Blanc is more precocious, producing wine that is light-bodied and fruity with notes of fresh herbs on the finish.
- 247 **Gentil, Famille Hugel, 2019** 45.00
(22% Gewurztraminer, 5% Muscat, 18% Pinot Gris, 23% Riesling, 21% Sylvaner, 11% Pinot Blanc) James Suckling – 90 points
A kaleidoscope of grapiness, produced exclusively from hand harvested grapes in predominantly clay and limestone vineyards, from a dozen of the most favoured localities in and around Riquewihr. Gentil allies the suave, spicy flavour of Gewurztraminer, the body of Pinot Gris, the finesse of Riesling, the grapiness of Muscat and the refreshing character of both Pinot Blanc and Sylvaner.
- 239 **Classic Pinot Gris, Hugel et Fils, 2015** 57.00
Wine Advocate - 89 points
“There is a creamy freshness to the pear notes on the nose. The dry palate delivers friendly, earthy pear fruit on a rounded body that has phenolic texture and bright freshness. This wine is rich, dry and perfectly balanced. The dry finish sings with lemon.” *Anne Kriebel, Wine Enthusiast – 90 points (Aug 2018)*
- 248 **Gewürztraminer, “Bebenheim”, Domaine Trapet, 2022** 69.00
Bio-dynamic (certified), Organic, Suitable for Vegans
From 60+ year-old vines, harvested 10 days before the Riquewihr Gewürztraminer and fermented in concrete eggs, the Bebenheim Gewürztraminer opens with a very clear, precise, elegant and smoky nose. Round, elegant and with a delicate acidity, this is a compact Gewürztraminer fermented to medium-dry. The tannins are very fine and the acidity really elegant. The finish is firm, salty, nicely bitter and long.

Organic (certified) Bio-dynamic (certified), Robert Parker – 90 points, Stephen Tanzer – 90 points
Winter pear and a hint of litchi; smoked meat and musky floral perfume follow the Ostertag 2008 Pinot Gris Muenchberg A360P from its striking nose onto a deeply-rich, glossy-textured palate, and into a long finish whose undulating layers of fruit, flower, meat, and mineral matter are tinged with vanilla. A finish of acidity and structure lends balance to what will be a long-lived and luscious wine for a decade or more.
- 245 **Gewürztraminer, Cave de Cléebourg, 2022** Suitable for Vegetarians 46.00
Located in the Northern Vosges Mountains, 60km north of Strasbourg, overlooking the villages of Cléebourg, Rott, Oberhoffen, Steinseltz and Riedseltz. A deep yellow colour with golden reflections and also limpid and brilliant. This wine has an expressive nose dominated by flowers and sweet spices, revealing in particular aromas of jasmine, rose and clou de girole. This Gewurztraminer, racy and elegant, has a predominantly fruity palate with a subtle freshness giving this wine a perfect balance for gastronomy. The finish is lingering with spicy notes.
- 249 **Riesling, Grosse Laüe, Hugel, 2011** Wine Spectator – 93 points 98.00
“A hint of smoke and a touch of earth precede the fresh lemon notes of the nose. The dry palate, with its vivid impression of very pure, bright and incisive lemon freshness, still seems tightly wound. There is something brooding and alive about this-it can be felt below the surface, disquieting but promising. This has barely started on its journey and will take a while to develop fully but it’s all already there, dormant and ready to unfurl with a little more bottle age. The pure, long and intense finish is a delicious promise.” *Wine Enthusiast – 95 points (Dec 2017)*

AUSTRIA

Austrian wines are among the world’s most sublime, yet there are precious few bottles to go around. Unsurprising perhaps, when you consider that Austria’s entire vineyard area is just 40% of the size of the Bordeaux wine region. Added to this, Austrians drink 75% of their crop – quite understandable too, given the quality of Austria’s wines. The country’s wine regions are impressive in their diversity, with complex soils, varied landscapes and myriad grape varieties, some unique to Austria.

- 225 **Grüner Veltliner, ‘Langenlois’, Weingut Rabl, Kamptal, 2024** 44.00
(100% Grüner Veltliner) Falstaff – 90 points
A spicy opening with subtle aromas of apple, soft honeydew melon through to a well defined, creamy body with good fleshiness and juicy cascading acidity. A dynamic palate with a savoury peppery spicy finish. A lovely example of the Grüner Veltliner grape.

Located in the prestigious Kamptal-Donau wine region of Austria, Weingut Rabl is a byword for wines of the highest quality. He was awarded the IWSC Trophy for White Wine Maker of the Year in 2019 and 2021.

SPAIN

Spanish wine has never been so exciting, as a new generation of dynamic wine producers pushes the boundaries. Moving away from bulk production that blighted its reputation, Spain is now focusing on quality and regional style. Rioja is no longer the lone jewel in Spain's crown, nor is the Tempranillo grape the only darling of Spanish winemakers, for today there is a dizzying array of wine regions, wine styles and grape varieties in the fray. Recent years have seen Ribera del Duero and Priorat become virtual cults, while other new wine regions make wines with character and class and Sherry (Jerez in Spanish) is rejuvenating its image. Exit Spain's dull, oxidized white wines, enter zesty Verdejo (from Rueda), peachy Godello (Valdeorras) and refreshing Albariño (Rias Baixas) With all this and more, Spain is set to thrill wine lovers for years to come.

Clear red colour and delicate floral, red berry notes lead into a palate that balances the mineral richness of old vines with a beautifully light touch in the winery. Delicately structured, with subtle herbal notes to complement the ruit, and a mouth-watering finish. This up and coming region is starting to gain plaudits for producing a unique styla of Garnache, with an almost Pinot-like elegance and finesse, crafted from old vines planted on granite and slate soils.</p> |
| 152 | <p>Monastrell, 'Hécula', Bodegas Castaño, Yecla, La Mancha, D.O., 2023 44.00
(100% Monastrell) Certified Organic, Wine Enthusiast – 90 points, James Suckling – 89 points
From proprietor Ramon Castaño Santa, is the 'Hécula', which is sourced from a non-irrigated, single vineyard planted with 100% Monastrell. Aged in both tank and French oak, it comes from 60-80 year old vines planted in limestone soils at a relatively high elevation of over 1,600 feet. Its' opaque purple colour is followed by copious aromas of blueberries, raspberries, camphor, licorice, white flowers and a chalky limestone/dusty character. Full-bodied, rich and well-balanced, it is incredible value.</p> |
| 147 | <p>Rioja Reserva, Bodegas Ondarre, D.O.C. Viana, 2020 46.00
(75% Tempranillo, 15% Mazuelo, 10% Grenache) IWC – 95 points

(92% Tinto Fino (Tempranillo), 8% Garnacha) Certified Organic and Bio-dynamic. Robert Parker - 94 points
"The numbers are impressive, showing what a successful brand this has become: 200 hectares, 500 growers, 700 lots and 360,000 bottles. Pairing Tinto Fino and 8% Garnacha, most of it from vineyards to the east of Aranda, this is vibrant, focused and subtly wooded, all pomegranate, black cherry and mountain herbs on the palate, with nicely understated 5% new wood."

| 149 | <p>Rioja Prado Enea, Gran Reserva, Bodegas Muga, La Rioja, Alta, 2015 145.00
(70% Tempranillo, 20% Garnacha, 10% Graciano, Mazuelo) Certified Organic, Wine Spectator - 94 points
"The most classical of their wines, the 2015 Prado Enea Gran Reserva is a blend of Tempranillo, Garnacha, Mazuelo and Graciano, mostly from Rioja Alta (Sajazarra, Cellorigo and Fonzaleche), but the Garnacha is from different plots in the zone of Tudelilla at high altitude. These grapes are always picked last, but the wine has a similar alcohol level as the rest, around 14.5% in a warm year like 2019. The modus operandi is similar to other of the top cuvées—harvested into 200-kilogram boxes, destemming, optical sorting and fermentation in small oak casks with indigenous yeasts. The élevage in this case is extended to 36 months, and the barrels are only 10% new. This is, year in, year out, my favorite wine from Muga, and in this powerful and ripe year, these late-harvesting vines ripened thoroughly and delivered a full array of aromas and flavors so that the wine has plenty of depth and complexity. It has a very classical profile, with incipient tertiary notes, perfumed, floral and rich, textured and beautifully balanced. One of the finest Prado Enea vintages." <i>Wine Advocate – 97 points (July, 2022)</i>
"Reserved and polished, this is a Prado Enea with great class and focus. It's so aromatic, with plum, peach, cherry and cedar character. Salted olives, too. Medium-to full-bodied with very fine tannins and a long, fresh finish. Elegance with power here. Give it three or four years to open, but already impressive." <i>James Suckling – 97 points (June, 2022)</i></p> |
| 163 | <p>Pesquera, Crianza, Bodegas A. Fernández, Ribera del Duero, 2019 85.00
(100% Tinto Fino (Tempranillo))
"Deep violet-red in the glass, this wine has aromas of blackberry, cassis and dried Mediterranean herbs. Dark berries are joined on the palate by flavors of chocolate covered espresso bean, black olive paste and a hint of violet. Plush tannins make their way across the palate and dissolve into a bright, lingering finish." <i>Mike DeSimone, Wine Enthusiast – 93 points</i></p> |

ITALY

It is hard to imagine a more exciting or varied wine-producing country than Italy. With a vibrant winemaking history spanning over 2,000 years, and vineyards stretching from the Alps through the Apennine mountains to Sicily, the Italian peninsula is home to an enormous range of climates, topographies and soil types hosting hundreds of distinctive grapes unique to Italy. It is hardly surprising then, that Italy's wine range is so diverse, spanning all colours and styles, from dry to sweet, still wine to sparkling wine, and everything in between. Enshrined in tradition, linked inextricably to Italy's rich cultural heritage and regional cuisine, Italian wine is fundamental to Italian lifestyle, and it is impossible to resist either. While not all wines are as famous or revered as Barolo, Chianti, Brunello or Amarone, Italy remains the ultimate destination for food and wine lovers everywhere.

 <small>(100% Nebbiolo) Suitable for vegetarians,</small>
 "This is the most accessible Barolo from Vietti and the wine that casts the biggest net in terms of fruit sourcing from across many MGA sites. The 2019 Barolo Castiglione is a layered and generous wine that reflects the main takeaways offered by this very successful vintage. In fact, because this wine is not from a single site, it speaks more to the quality of the vintage than it does to any one specific vineyard. The Castiglione reveals generous richness and concentrated cherry fruit with dark saturation and good structure that comes from the thicker skins developed on Nebbiolo grapes this year. It concludes with a salty mineral note that adds focus and elegance." <i>Monica Lerner, Wine Advocate (08/22) – 90 points</i></p> |

- 143 **Amarone della Valpolicella, Ca' Rugate, Veneto, D.O.C., 2022** 92.00
 (45% Corvina, 40% Corvinone, 15% Rondinella) Suitable for Vegans, Certified Organic
 From a selection of the best grapes from Ca Rugate's vineyards in the hills around Montecchia di Crosara. The Amarone is aged in oak for at least 30 months before it is bottled. This is a big wine with concentrated ripe black fruit aromas enhanced with hints of cedar and balsamic. It is rich, complex and full-bodied and its' ripe cherry and plum flavours have an almost "chewy" texture.
- 145 **Passorosso, Tenuta di Passopisciaro, Etna Rosso, Sicily, D.O.C., 2017** 95.00
 (100% Nerello Mascalese) Suitable for Vegetarians. Monica Lerner, The Wine Advocate - 91 points
 These high-altitude vineyards are a staggering 15°C below coastal temperatures in the region. Combine this with very cool nights and you have an exceptionally long growing season, the grapes typically not picked until late October. This gives the wine a rich, complex aromatic spectrum, while remaining distinctly elegant. "Aromas of ripe wild berry and Mediterranean scrub alongside a whiff of eucalyptus take shape in the glass. Juicy and smooth, the palate offers crushed raspberry, strawberry compote, licorice and notes of exotic incense framed in taut, fine-grained tannins. A tangy mineral note gives the finish tension." *Kerin O'Keefe, Wine Enthusiast - 93 points*
- 141 **Brunello di Montalcino, Le Macioche, Cotarella, Toscana, D.O.C.G., 2016** 132.00
 (100% Sangiovese) Eric Guido, Vinous - 92 points, Nov 2020
 "Tasted as unfinished release, the Le Macioche 2016 Brunello di Montalcino Cotarella shows poise and character, opening to bright cherry fruit, menthol or balsamic herb, mineral and soft earthy tones. Next year's release, the 2017 vintage, will represent the first wine entirely made by the Cotarella family since they purchased this little bijou estate in Montalcino. The 2015 vintage was bottled by them, but winemaking was followed by the previous owners, and the 2014 vintage was not made at all. Aged in large oak casks this is a classic expression, streamlined in places and more generous in others, making for balanced overall results." *Monica Lerner, Robert Parker's Wine Advocate - 94 points, Nov 2020*
- 132 **Haiku, Castello di Ama, Toscana, I.G.T., 2009** 77.00
 (50% Sangiovese, 25% Merlot, 25% Cabernet Franc) Robert Parker - 92 points, Wine Spectator - 90 points
 The Haiku name comes from a traditional Japanese Haiku poem which consists of three lines. This simplicity is meant to be demonstrated in the Haiku wine. Garnet red in colour, whilst on the nose there are delicate sweet notes of raspberry jam and strawberry alongside fresh pepper aromas and a distinct savoury line of tobacco. The palate is a surprisingly rich but mild palate, dark red cherries, flowers, mint and spices are some of the notes that flow from the glass together with delicate tannins that offer the gentlest grip and lots of depth. This is an outstanding Brunello.
- 134 **Tignanello, Antinori, Toscana, I.G.T., 2008** 185.00
 (80% Sangiovese, 15% Cabernet Sauvignon and 5% Cabernet Franc) Wine Advocate - 94 points
 The 2008 Tignanello is unquestionably one of the wines of the vintage. The 2008 isn't a huge or obvious Tignanello, rather it is a wine that impresses for its sublime elegance and precision. Understated layers of fruit caress the palate like cashmere in this impeccable, soft wine. There is not a hard edge to be found. Black cherries, tobacco, smoke and licorice are some of the notes that come through on the finish. The flavor profile is decidedly on the dark side, but the wine's structure is medium in body and intensity. In 2008 the Tignanello has energy, focus and length.

 La Pettegola, the new Banfi's Vermentino, is crafted selecting the best grapes from the Tuscan coast. Textured and creamy on the palate, with a medium body and delicious stone fruit in the middle." *James Suckling - 90 points*

SOUTH AFRICA

South Africa is one of the world's most exciting wine-producing regions today. The South African wine industry is in renaissance, supported by investment and a dynamic new generation of winemakers keen to push quality boundaries and develop new vineyards and wine styles. South Africa's wine production dates back to the 1600s, when the Dutch East India trading company established a provisions station in Cape Town and planted vineyards for wine and grapes. The Cape's location has proved key to its wine styles too, for the winelands here are buffeted continually by cooling ocean breezes, tempering the intense heat at this latitude and giving near-perfect conditions for high quality grapes. South Africa's wine profile reflects these conditions, melding its exuberant sunshine flavours with the elegance more typical of cooler-climate European wines.

- 151 **Little j Red, Joostenberg Estate Wines, Paarl, 2022** 42.00
 (41% Syrah, 39% Cinsault, 15% Merlot, 5% Grenache.) Certified Organic
 This is an unpretentious, generous wine made from a selection of vineyards in mainly the AgterPaarl area (part of the Paarl appellation). The predominant soils are Malmesbury Shale. These soils have a surprisingly good moisture retention capability which allows for dry-land farming in a relatively warm and dry area. This deep garnet blend is a medium-bodied red wine with an expressive nose and a soft, lush mouth-feel. The Shiraz gives ripe plum fruit and dark fruit notes on the nose and palate. Grenache softens the palate, adds floral notes and combines with Shiraz to form the backbone of the blend. Cinsaut lends red fruits and a soft, lush mouthfeel to the final blend. The overall wine shows depth and finesse, but with a lighter body and gentle tannins.
- 185 **Max, Miles Mossop, Stellenbosch, 2018** 75.00
 (47% Cabernet Sauvignon, 23% Merlot, 23% Petit Verdot, 7% Cabernet Franc) Tim Atkin MW – 94 points, 4½ Stars – Platters Wine Guide 2021
 The wine has a vibrant garnet colour which extends to a plum red rim. The nose is a mélange of red and black briary fruit intertwined with hints of tobacco leaf and cedar wood. The wine enters the palate with juicy red and blackcurrant flavours with a clean textured mid-palate and a hint of savoury notes. The finish is long, dry and textured with just a touch of vanilla and toast.
 “Mentholated herbs, cigar box and blackcurrant leaf initially waft from the glass of this earthy, heady varietal Cab. Cassis and blackberry fruit shows at the core, providing a solid ground for all of the other elements to stand against. Medium-plus in weight, it boasts gripping tannins and ample acidity to yield a firm, supportive structure that, along with the ripe black-fruit tones, shows excellent long-term potential and evolution ahead.” *Lauren Buzzeo, Wine Enthusiast* – 93 points

LEBANON

The Bekaa is a fertile valley in Lebanon, located about 30 km (19 miles) east of Beirut. The valley is situated between the Mount Lebanon to the west and the Anti-Lebanon mountain ranges to the east. It forms the north-easternmost extension of the Great Rift Valley, which stretches from Syria through the Red Sea into Africa. Bekaa Valley is about 120 km (about 75 miles) in length and has an average width of about 16 km (about 10 miles). It has a Mediterranean climate of wet, often snowy winters and dry, warm summers. Lebanon is the oldest site of wine production in the world. The Phoenicians of its coastal strip were instrumental in spreading wine and viticulture throughout the Mediterranean in ancient times.

NORTH AMERICA

In the U.S.A., regional terms can be as vague as a whole state or as precise as a single vineyard. One increasingly popular term used in California is "Coastal". This allows blending across almost all the Californian vineyards lying up to 100km inland of the Pacific.

 (65% Zinfandel, 26% Petite Sirah, 5% Syrah, 4% Alicante Bouschet)
 "Drawing on fruit from ten Sonoma County vineyards, in 2021 Three Valleys presents a cornucopia of fruit in a classical blend that feels an exuberant family relation to Geysersville. It's ripe and rich in structure under all that fruit energy - black mineral tannins in the service of the fruit combining in dark chocolate and mushroom notes. All of it needs time to integrate, but even now, that tannins keep opening like a door to the land." *Wine & Spirits, March 2024 - 93 points*
 "A broad-shouldered red, with potent structure but expressive blackberry, savoury dill and white pepper flavours that speed toward medium-grained tannins" *Wine Spectator, February 2024 - 92 points*

 (92% Cabernet Sauvignon, 8% Petit Verdot/Cabernet Franc) Wine Advocate - 94 points, Decanter - 94 points
 "The evolution of this wine has been phenomenal since I tasted it in barrel a year ago with the same black cherry, plum and citrus character but with a turn to orange leaf, dark Chinese tea, and mushroom. Full body, fine and velvety tannins with a touch of dust to the texture. So much chocolate and fruit undertones with forest floor and hints of tobacco, too. The mouthfeel and complexity are seductive. Better from 2022 but a joy to taste." *James Suckling - 98 points (Jan, 2018)*

It has plenty of texture and richness yet stays lively, pure, and nicely balanced. It's a beautiful Viognier in the making." *Jeb Dunnuck - 93 points*
- 271 **Chardonnay, Lucia by Pisoni, Estate Cuvée, Santa Lucia Highlands, Ca., 2022** 95.00
 (100% Chardonnay) Wine Enthusiast, June 2023 - 92 points, Wine Spectator 2023 - Top 100 Wine of the Year
 "The 2022 Chardonnay Estate Cuvée comes from a mix of the Pisoni and Soberanes vineyards and spent 12 months in 30% new oak. It doesn't have the overt power or complexity of the Soberanes Vineyard, yet it brings a vibrant, pure, beautifully balanced style in its ripe stone fruits, toasted bread, white flowers, and blanched almond-like aromas and flavors. I love its overall profile, and it has nothing out of place; its acidity is nicely integrated, and it has outstanding length. It's another brilliant 2022 to drink over the coming 4-6 years." *Jeb Dunnuck - 94 points*

Light-bodied and elegant on the palate, a beautiful through line of bright, citrusy acidity defines the wine with vibrant flavors of ripe melon, grapefruit, and citrus zest before the smooth, refreshing finish." *Cakebread Vineyard*

SOUTH AMERICA

It is Easy to morph Chile into one massive, illogical generalization about a country which spans some 2610 miles north to south. There is a massive diversity in terms of geology and topography but also in climate. Between desert to the north and ice fields in the south. The viticultural zones are protected, to a degree, by the Andes to the east and the Pacific to the west: from the ocean come the effects of a very particular, cooling current known as the Humboldt. As a result, the wine-growing regions are not as hot as one would expect and the temperature variation between day and night is broad – all of which contributes to the potential for quality and intensity of flavour.

Argentina is now the fifth largest wine producer in the world. Vast plains of vines bask in almost endless sunshine, irrigated naturally by melted snow from the Andes. These fertile conditions together with an enormous amount of investment in the last decade, with the building of state of the art wineries, new equipment, replacing huge oak vats and vines being planted at ever higher altitudes, between 700m and 1400m above sea level (Ben Nevis is 1344m) - the great advantage is day and night temperature variation, allowing for a longer growing period, all resulting in wines of greater quality, consistency and potential.

- 160 **Finca Mirador, Achával Ferrer, Mendoza, Argentina, 2010** 130.00
(100% Malbec) Suitable for Vegans Wine Advocate – 95 points, Wine Spectator – 94 points, Stephen Tanzer – 91 points
"The vines in Finca Mirador were planted half in 1928 and half in 1942, the latter pruned double-Guyot. The 2010 Finca Mirador is from the Medrano sub-region, originating from heavier, clayey soils and aged in new French barrels for 16 months. The nose is more expressive than the Finca Bella Vista with cassis and blueberry aromas imbued with a sorbet like freshness and vivacity. After 20 minutes, there is an estuarine, oyster shell scent emerging. The palate is medium-bodied with very fine tannins and a surprising sense of reserve and sophistication that could probably show Bordeaux a few lessons in restraint! It draws you in to its complexity and its precise, delineated finish of black currant pastille, sea salt and crushed stone that lingers long in the mouth. This is an outstanding Argentinean Malbec." *Robert Parker, Wine Advocate – Sept 2012*
- 156 **Cabernet Sauvignon Reserva, Perez Cruz, Valle del Maipo Andes, 2024** 49.00

- 154 **Quimera, Achával Ferrer, Mendoza, Argentina, 2013** 82.00
(50% Malbec, 24% Cabernet Sauvignon, 18% Merlot, 8% Cabernet Franc) Suitable for Vegans, James Suckling – 90 points
"Sourced from a diversity of places in the province of Mendoza, the 2013 Quimera is a blend of different red grapes, a mixture that is more or less constant across vintages. The wine matures in brand new 160 litre French oak barrels, the winery were surprised that smaller barrels gave more expressive fruit. Santiago Achaval says the barrels work well up to three uses, and he thinks it's because the juicy wines from Mendoza have a stronger demand for aeration and the wine benefits from a higher ratio of wood-to-wine because of how much oxygen the wine demands. The nose has no trace of wood, and it's eminently floral. The palate has electric acidity, acid strawberries, it makes you salivate, makes you long for the next sip. Simply delicious. The best Quimera I've tasted." *Wine Advocate - 93 points*

GREECE

Greek wine boasts a rich history, with evidence of winemaking dating back to the Bronze Age, making it one of the oldest wine-producing regions in the world. Greek wines are known for their unique flavors, influenced by diverse terroirs, ranging from volcanic islands to mountainous regions, and a wide array of indigenous grape varieties. While historically overlooked, Greek wines are now gaining recognition for their quality and distinctive character, with a growing appreciation for both traditional and modern winemaking techniques. Greek winemaking traditions are deeply intertwined with the country's culture and mythology, with Dionysus, the god of wine, playing a prominent role in ancient celebrations and religious practices. The ancient Greeks were pioneers in viticulture and oenology, developing techniques that are still relevant today, such as understanding the impact of terroir on wine. Today, Greek wines offer a dazzling variety of styles, from the bright, mineral-driven whites like Assyrtiko from Santorini to the bold, structured reds like Xinomavro from Naoussa. Many producers are also embracing sustainable and organic farming practices, creating wines that respect both tradition and the environment.

AUSTRALIA

Australia's wine industry has been phenomenally successful in the last 30 years and today is the world's fourth largest wine exporter, with wines sold in over 100 countries. Australia was the first of the 'new world' wine producing countries to understand how to appeal to modern wine drinkers, with its inexpensive, easy-drinking, wine styles. Its innovative strategy of producing and labelling wines according to grape variety proved highly popular and saw Australia steal valuable market share from traditional producing countries France, Italy and Spain. However there is more to Aussie wine than fruit bombs (however appealing!) The astonishing array of high quality, characterful wines now emerging from Australia's diverse wine regions is testament to the efforts of its talented viticulturalists and winemakers and their pursuit of quality and finesse.

New South Wales accounts for a quarter of Australia's wine production, and is divided into sub-regions with varying microclimates. The warm, humid Hunter Valley north of Sydney has developed a reputation for iconic premium wines from small wineries.

South Australia produces almost half of Australia's wine. Its varied geography gives a diverse range of microclimates yielding many different grapes and wine styles. The hot, irrigated Riverland region produces bulk wines, while premium wines are produced in areas nearer the Indian Ocean, such as the Adelaide Hills, Barossa Valley and Coonawarra. Victoria is one of Australia's oldest wine regions and enjoys renown for premium wine regions such as Heathcote, Rutherglen and the Yarra Valley.

Western Australia. Close to the city of Perth and 30km from the ocean, Margaret River is Western Australia's key wine sub-region. Focused on quality, Margaret River produces just 3% of Australia's wine, but 20% of its premium wine.

Tasmania. the island off South Australia, is fast emerging as one of Australia's key cool-climate regions. Its sunny, breezy Tamar Valley wines offers fresh, elegant Riesling and Pinot Noir.

| 172 | Shiraz, 'Talus', Mount Langi Ghiran, Grampians, Victoria, 2021 | 75.00 |
| | (100% Shiraz) Suitable for Vegans, Wine Enthusiast – 94 points
Perched at 350 m in Victoria's Grampians region, Mount Langi Ghiran has been a benchmark for cool-climate Shiraz since the Fratin brothers replanted in 1969. In the glass, the 2021 Talus Shiraz displays perfumed notes of violet, blackberry, white pepper, and sage, layered over forest-floor, olive brine, and subtle mocha nuances. The palate is full-bodied yet finely sculpted, with rich layers of dark plum, clove, and spice unfolding into a long, savoury finish framed by earthy minerality. "There's a power to this wine, a force, and yet it also comes across as a wine with a keen savoury side. Win-win. Black cherry, hazelnut, black pepper and rounds of leaf matter and tobacco put on a confident and highly engaging display. Indeed, it's beautiful." <i>Campbell Mattinson - James Halliday's Australian Wine Companion – 95 points</i> | |

White Wines

- 295 **No 33 Riesling (Dry), Rieslingfreak, Clare Valley, 2025** 52.00
 (100% Riesling) James Suckling – 95 points
 Rieslingfreak is the passion project of John Hughes, a winemaker devoted exclusively to the Riesling grape. In No.33, zesty lime, juicy pear and crisp green apple leap from the glass, joined by gentle floral notes. The palate is soft yet vibrant, with generous fruit from White Hutt balanced by Polish Hill River’s signature acidity. Ripe citrus, a hint of stone fruit and mouth-watering freshness make this a dry Riesling of clarity and charm. Long, clean and beautifully poised - an energetic Clare Valley expression with serious drinkability.
- 281 **Chardonnay, Circa 77, Xanadu, Margaret River, Western Australia, 2022** 42.00
 (100% Chardonnay) Suitable for Vegans Wine Enthusiast – 93 points, Sam Kim, wineorbit.co.nz – 91 points
 The vines were planted in 1977, hence the name Circa 77. The estate vines are the Gingin clone, known for its small bunches and its ‘hen and chicken’ (millerandage) berries that produce fruit of intense concentration with high, natural acidity. Lively aromas of fresh citrus, green apple, and hints of tropical fruits, with a delicate oak presence that adds a layer of richness without overpowering the fruit. The palate is crisp and refreshing, with a clean, balanced finish. The wine’s youthful character and bright acidity make it an excellent choice for those who enjoy a more straightforward, fruit-focused Chardonnay.
- 278 **Gathering Sauvignon Semillon, The Lane Vineyard, Adelaide Hills, 2019** 61.00
 (72% Semillon, 28% Sauvignon Blanc) Suitable for Vegans, Bronze Medal – IWC 2021
 “A gently oaked Sauvignon Semillon displaying complex aromas of lemon myrtle, blackcurrant leaf and gunflint. A tightly structured palate of grapefruit, gooseberry and mandarin zest with excellent natural acidity, minerality and length.” *James Halliday – 96 points*
- 293 **Chardonnay, Yering Station, Yarra Valley, 2022** (100% Chardonnay) 59.00
 “Barrel fermented and matured in French puncheons (14% new). A deep-ish, bright green gold. Perfectly ripened white nectarines, pear skin and lightly grilled cashew are woven together in this complex Yarra chardonnay. On the palate, this is textured and structured, finishing chalky, grapefruit pithy and long.”
Philip Rich, Halliday Wine Companion - 95 points
 “Flashy and expressive aromas of lemon curd, white blossoms, roasted hazelnuts, phosphorous and beeswax. The palate is medium-bodied with a viscous mouthfeel and focused acidity, giving notes of mandarin pith, pear tarte tatin, grapefruit and red apples. A nice balance between power and finesse.”
James Suckling, Jamessuckling.com - 94 points
- 287 **St. Andrews Chardonnay, Wakefield Estate, Clare Valley, 2019** 84.00
 (100% Chardonnay) Decanter World Wine Awards – 90 points (January 2021)
 Their aim is to craft a wine of delicacy and finesse that will age well. The nose has ripe stone fruit aromas along with hints of tropical fruit and subtle citrus zest. Enticing sweet spice, cashew nut and a vanilla oak lift add complexity to the bouquet. Palate: This is a medium-bodied yet sumptuous wine with an enjoyable creaminess to the midpalate. Flavours of juicy white fleshed stone fruit are evident along with cleansing citrus at the finish which has wonderful persistence and length from the use of quality French oak.
- 279 **Chardonnay, Yarra Yering, Yarra Valley, 2021** 95.00
 (100% Chardonnay)
 “Smart and subtle, displaying juicy aromas of lime, pineapple, nectarine and some mineral and salty nuances. Very textural with a silky mouthfeel. Focused and precise, ending in a persistent finish.”
Decanter World Wine Awards - Platinum medal, 97 points
 “From the two original chardonnay blocks plus plantings from 2013 featuring newer clonal material. Barrel fermented in barriques and puncheons. Brightly coloured. Complex with terrific fruit purity in the form of perfectly ripe orchard fruits and with just a hint of matchstick, too. Gentle, slatey and persistent, as good as it is now, this is also a keeper and will continue to blossom over the next few years.”
James Halliday, The Halliday Wine Companion – 96 points
- 280 **Vat 1 Semillon, Tyrrell’s Wines, Hunter Valley, 2015** 75.00
 (100% Semillon)
 “From old, dry-grown vineyards dating as far back as 1923, hand picking and sorting eliminated botrytis, leaving a pure display of citrus fruits headed by lemon, with lime and grapefruit also in the mix, all framed by hallmark acidity. A wine in its infancy, its’ best years a long way into the next decade and beyond.” *James Halliday – 95 points, Oct 2016*
 “This is a strong edition of Vat 1, from a warm and dry season. The nose is all classic lemon and light toast with very attractive purity. The palate is teflon-like, smooth and sleek. So polished and so pure with pristine lemon flavors. Long and fresh. Drink or hold.” *James Suckling – 96 points, Oct 2020*
- 272 **Chardonnay Art Series, Leeuwin Estate, Margaret River, 2019** 145.00
 (100% Chardonnay) Wine Advocate – 98, Vinous - 96 points
 “Gloriously perfumed, pure and precise, with heady lily opening up. Softly smoky, slow-burn oak suffuses the palate without detracting from the classic, fresh-cut and succulent poached pear, with firmer al dente pear skin and a touch of custard apple sweetness. Lanolin, cinnamon and lemon puff biscuit bring texture and nuance. Terrific length, poise and intensity, with lingering fruit and perfume. Archetypal Art Series.” *Decanter – 98 points (May, 2022)*

NEW ZEALAND

New Zealand's wines have soared in popularity in recent years, with jet-set Kiwi Sauvignon Blanc as the most popular. While New Zealand's signature Sauvignon style continues to impress, there is far more here to tempt wine lovers. Delicious white wines include spicy Pinot Gris and mouth-watering Riesling, while New Zealand Chardonnay can rival France's top white Burgundy. Red wines like the silky Pinot Noir are also attracting attention from the worlds' toughest wine critics. Although the famous Marlborough wine region on the South Island is renowned for its sassy Sauvignons, the wine regions of New-Zealand span almost the entire length and breath of the country.

The North Island can boast such areas as Martinborough at its' southern end, Hawkes Bay to the east and Auckland to the north.

The South Island offers Marlborough in its north-eastern most corner, Nelson in the north-west and Canterbury and Central Otago in the cooler south.

Yet despite such varietal and regional diversity, New Zealand's wines display a common theme, marrying exuberant 'new world' flavour with stylish 'old world' elegance.

Juicy red fruits aromas dominate with notes of sun-ripened raspberry combined with blackcurrant leaf, dried herbs and hints of spice. Vibrant flavours of fresh raspberries and ripe red cherry are balanced with a good acidity and a touch of oak and spice. Round and full with a long, savoury finish.</p> |
| 175 | <p>Cabernets/Merlot, Awatea, Te Mata, Hawkes Bay, 2010 90.00</p> <p>(42% Cabernet Sauvignon, 40% Merlot, 12% Cabernet Franc, 6% Petit Verdot)
"Dark ruby-red colour with purple hues, lighter on edge. This has a tightly bound and elegantly sized nose with fresh, lifted, dark red berry fruits with red floral perfumes increasing in intensity with air time. Medium-bodied and an elegant wine in proportion, lively, bright and lusciously juicy raspberry and ripe redcurrant, plum and blackberry flavours unfold. The palate is one of finesse and fine-grained textures, a fine line guiding the fruit, with acidity adding real freshness and energy. The finish is moderately long, with notes of oak cedar showing." <i>Raymond Chan - 18.5/20 points</i>
Awatea takes its name from the historic ship SS Awatea (a Maori word meaning "Eye of the Dawn") that sailed the Auckland – Sydney – Wellington route in the late 1930s. The Awatea was requisitioned as a troop transport in WWII and was sunk off Algeria in 1942.</p> |
| 181 | <p>Pinot Noir, Eradus, Awatare Valley, Marlborough, 2024 52.00</p> <p>(100% Pinot Noir) Suitable for Vegans Sam Kim, Wine Orbit – 90+ points
Har and Sophie Eradus emigrated from Holland in the early '80s and settled in Marlborough. Today there are twelve hectares, the most impressive of which are planted on undulating, stony terraces along the Awatare river valley. Closer to the ocean than much of the wine region, the Awatare's warm days, cool nights and dry, sunny climate are key to the luminous flavour intensity, elegant minerality and fresh acidities of Eradus' distinctive wines. Sourced from the Brêloft Vineyard, the nose blossoms in the glass, compact at first but gradually evolving a very floral scent: rose petals augmented by tart cherries. Good definition. The palate is medium-bodied with vibrant acidity. Strong black cherry notes, complemented by a touch of citrus fruits and dried apricot.</p> |
| 178 | <p>Syrah, Elephant Hill, Hawkes Bay 2017 64.00</p> <p>(100% Syrah) Suitable for Vegans, Sam Kim- 93 points, 5 stars
2017 was a challenging year for the whole of the Hawke's Bay wine industry. At Elephant Hill however they believe in maximising their input to achieve the best possible in any one season. With a 'noholds' barred approach their belief is that they can still produce superior quality wines which typify the season, all be it at much lower volumes. The 2017 Syrah is made from grapes off their Gimblett, Te Awanga and Bridge Pa Triangle Vineyards. All the grapes were gently de-stemmed, pressed and aged for 18 months in 25% new French oak. The wine was bottled on 27th March 2019. Full bodied, yet elegant on the nose with ripe berry notes and subtle minerality. A complex palate of floral, berry and spice notes, perfectly balanced with soft tannins and a lingering finish.</p> |
| 179 | <p>Gibbston Pinot Noir, 'Seven Barrels', Rockburn, Central Otago, 2023 98.00</p> <p>(100% Pinot Noir) Suitable for Vegans
Rockburn started as the hobby of Richard Bunton in 1991. He planted a few hectares of vineyard in the then pretty much unknown area of Central Otago. In 2005, Malcolm Rees-Francis the winemaker, arrived from Felton Road where his skills immediately reaped the rewards when he won the Elite Gold Medal and the Young Antipodean Winemaker of the Year award. This is a very exciting new arrival on the world Pinot Noir stage; quite simply Rockburn is one of the very best producers of Pinot Noir in New Zealand.
"Pinot Noir from the Dick Bunton vineyard in Gibbston. Mid-ruby in the glass with characters of dark cherry, ripe raspberry, wild strawberry and red plum fruit with hints of fine spice, ruby-red grapefruit, riverstone, crushed herbs and leaf litter. Biscuity oak flows in with a bit more volume on the palate. The fruit shows a lovely purity and tension, with the mineral-rich acidity and fine, silty tannins providing just the right amount of structure as the wine trails off". <i>Dave Brookes, James Halliday Wine Companion 2026, March 2026 – 93 points</i>
"Moderately light crimson, even colour throughout. The nose is soft and delicate, with aromas of raspberry, strawberry, floral hints and sweet spice. Medium-bodied, aromas of raspberry and mulberry melded with strawberry, hibiscus and cinnamon. Refined, powdery tannins lightly coat the palate; lacy acidity uplifts the concentrated fruit, lengthening sweet spice and fragrant notes to a long, elegant finish."

SHERRY

75ml/125ml

Fino, Viña Corrales Pago Balbaína..... £ 10.00/£ 16.75

(Luis Gutiérrez, The Wine Advocate – 96 points)

“The wine is influenced by the dry year and has more smokiness, flintstone and yeasty aromas. This is round and lush, with a buttery sensation in the texture and the textbook notes of esparto grass and wet chalk. The finish is bone-dry, tasty and almost salty. They are also adding the wine from Viña Corrales in Balbaína. I also sampled the wine from the solera as it is now, and it's impressive how the wine seems to have changed in one year and how the influence of the different yeasts is noticeable on the nose, with the influence of the Beticus yeasts in the smokiness.” *Served chilled.*

Manzanilla Papirusa, Emilio Lustau £ 7.00/£ 10.00

(Decanter – 90 points, James Suckling 92 points)

This is similar to Fino in style but comes from San Lucar de Barremeda rather than Jerez or Puerto de Santa Maria. It has a slightly lower acidity with more fruity citrus notes and a richer palate. Pale straw colour. Bone dry, fresh and nutty with a slight salty tang. The Manzanilla should well work with creamy foods, poultry and pork. *Served chilled.*

Delicious as an apéritif alongside salted nuts or drink with seafood & fish.

Amontillado Los Arcos (Dry), Emilio Lustau £ 7.00/£ 10.00

(Robert Parker – 93 points)

When the *flor* yeast on a Fino dies, it gets exposed to oxygen and becomes an Amontillado, this produces an amber colour with a nutty aroma on the nose. Light, soft and round on the palate, with flavours of baked nuts, Christmas cake, spice and figs, with a long aftertaste. *Served Chilled.*

Oloroso Cuco, Barbadillo £ 9.00/£ 14.75

Beautiful on its' own or goes very well with sponge cakes, light desserts and blue cheese.

Pedro Ximenez Cardenal Cisneros Romate..... £ 9.00/£ 14.75

(Wine Enthusiast – 94 points)

A stunning wine made by drying Pedro Ximenez grapes on grass mats for up to 3 weeks, thus increasing the sugar concentration. The wine is aged for over 15 years, in American Oak casks before release. Opaque very deep dark sienna brown colour with a deep olive green hue. Intense aromas of raisin followed by honey, caramel and toffee with some spice a

nd a hint of walnut as an end note with perfectly integrated spirit. Rich

The Fonseca is aged in oak vats (27,500 litres), where it gradually matures and falls bright. Then after 5 years it is then drawn off into bottle with no fining or filtration. Perfect with chocolate desserts, cheeses, berry fruit desserts, dried fruit and nuts</p>

<p>Henriques & Henriques, Bual, 15 year old (Madeira, 50cl).....£ 10.50 £ 80.00 <i>Decanter – 93 points</i> Fine, fragrant aromas of fresh leaves, green tea and flowers. On the palate, it has rich toast and marmalade character yet at the same time it is gentle and beautifully concentrated, with an incisive finish. Near-perfect poise. Terrific with blue cheese or chocolate desserts</p>		
<p>Ferreira, 2016 (75cl) Wine Spectator Magazine – 94 points.....£ 16.00 £ 155.00 “Aroma of great complexity and intensity, with black fruits in raisins such as plum and fig. It reveals balsamic notes to heather and sous bois, notes of licorice, cocoa and chocolate, fruit of an excellent maturation. In the mouth it is dense, voluminous, with well integrated acidity presenting notes of milk chocolate with cherry and an end of great longevity and complexity.” <i>Robert Parker – 94 points</i></p>		
<p>Taylor, 2000 (75cl) Robert Parker – 98 points - £ 180.00 Among the most saturated blue/purple/black-coloured examples of the vintage, Taylor's 2000 tastes like a young vintage of Château Latour on steroids. Aromas of graphite, blackberry liqueur, crème de cassis and smoke jump from the glass. Spectacularly concentrated and enormously endowed, with sweetness allied to ripe tannin, decent acidity, and layer upon layer of fruit and extract, Leading candidate for the port of the vintage.</p>		
<p>Fonseca, 1970 (75cl) Robert Parker – 93 points..... - £ 200.00 Fonseca is one of the great port lodges, producing the most exotic and most complex port. It excels in its magnificently complex, intense bouquet of plummy, cedary, spicy fruit and long, broad, expansive flavours. “Tasted at the Vintners Company’s 650th anniversary celebration at Vintners Hall, the Fonseca 1970 was the finest bottle I have encountered. The bouquet opens beautifully with heady scents of clove, ginger, small red cherries, bergamot and allspice, displaying exquisite definition and harmony. The palate follows suit with lovely balance and poise in the mouth, notes of kirsch, shaved ginger and walnut building to an opulent, viscous finish that lacquers the mouth. Yet this bottle shows more control than the bottle tasted four years ago. The 1970 Fonseca is in a very nice place at the moment.” <i>Neal Martin, Wine Adocate, May 2013 – 95 points</i></p>		

BIN END LIST

WHITE WINE

- 299 **Riesling, ‘Adam Who?’, Burge Estates, Eden Valley, 2023** 42.00
(100% Riesling) Suitable for Vegans
Aromatic nose of white peach and citrus blossom. Ripe pear and honeydew melon give way to a lingering, refreshing orchard fruit finish, with underlying slatey minerality. An expert balance between sweet fruit flavours and lemon/lime acidity.
- 267 **Viognier, McManis, River Junction, California, 2020** 51.00
(100% Viognier)
Classic Viognier aromas of peach and apricot with a hint of fresh pear. A rich velvety texture - an ideal choice for those looking for more body in their wine without oak. The fruit promised on the nose follows onto the palate with mineral hints and these pleasing properties linger in the finish and fade to a faint mineral note.
- 440 **Bernkasteler Badstube Riesling Spatlese, Dr H Thanisch, Mosel, 2022** 70.00
The palate is soft and pliant, with an overt fruit-drive, underpinned by a refined sense of power and a notion of texture. Beautifully harmonious, this is a pick. The mark of this wine’s quality is that the dialled-up body and volume does not detract one iota from the nuanced minerality at its core. Stunning clarity of expression. *(This wine is off-dry)*

MAGNUM BOTTLES – Red Wine

- 457 **La Côte aux Enfants, Grand Crû, AC Coteaux Champenois, Bollinger, 2009** 195.00
(100% Pinot Noir) Antonio Galloni, Wine Advocate – 91/94 points
La Côte aux Enfants is a great red wine from the legendary Aÿ plot: a pure Pinot Noir, the combination of an exceptional plot and a highly skilled Burgundy winemaking method which is very rare in the Champagne region. La Côte aux Enfants comes from a steep, small 70 acre plot just outside Aÿ which Jacques Bollinger himself reconstituted patiently, at the beginning of the 20th century, from over 50 differently owned plots. An intense ruby colour, the nose delivers notes of cloves, pepper and truffles along with sweet spices like vanilla and cinnamon. Cherries, kirsch and prunes are evident on the palate and hints of floral rose. A very distinctive red wine with a velvet like texture and subtle balance.

Within the wine list we have listed where it is known, wines that are organically grown or wines that are suitable for our Vegetarian or Vegan guests, below is a simple explanation of each.

Vegetarian or Vegan Wine

To know whether a wine is a vegetarian or vegan, you need to look at how the wine is clarified (or fined) to remove the solid particles that would otherwise make it cloudy. The substances used for this process can be derived from many sources, some of which come from fish and animal, some from dairy products and some from clay or synthetic substances. Certain producers do not fine their wines at all while some choose just to filter. Strictly speaking, such substances are no longer found in the wine at all after clarification, but the fact that they have had contact with the liquid may be important to some people.

If a wine is fined with the following, it is suitable for vegetarians and vegans:

Bentonite (clay base)
PVPP (polyvinylpyrrolidone) – a synthetic substance
Use of tangential filter
No fining

If a wine is fined with the following, it is suitable for vegetarians but not vegans:

Casein (milk)
Albumen (eggs)

If a wine is fined with the following, it is not suitable for vegetarians or vegans:

Gelatine Isinglass (fish swim bladder)

Organic Wine

If we are to be absolutely accurate, the term organic wine does not have a legal or technical basis. What we refer to as organic wines are wines produced by organic viticulture. All organic agriculture involves very strict control over any treatments used in the vineyards, avoiding synthetic treatments, chemical pesticides, herbicides and fertilisers. Stripped to its essentials, the transformation of cultivated grapes to must, using natural yeast, is an organic process. It was Man's efforts to grow grapes more efficiently, more successfully, which moved away from a wonderful, natural simplicity, thence to a growing number of interventions. Although very much to the fore today, the philosophies underpinning organic viticulture date back to the early twentieth century and the German philosopher Rudolf Steiner. Steiner introduced the idea that man, playing a part in the harmony of the cosmos, must strike a balance in seeking higher production.

Subsequently for our guests who are concerned about sulphites: - pick up a bottle of wine in the UK and you will find a statement on the label declaring 'contains sulphites'. This is to protect a small number of people, such as asthmatics, who may have an allergic reaction. Sulphites are a natural product of fermentation, so all wines contain a limited amount.

However sulphites also exist in wine through the use of sulphur dioxide (SO₂) during the wine making process. SO₂ is a strong antiseptic but is also used to protect grapes and wine from microbial attack; in addition it has antioxidant properties. Red wines require less SO₂ than white wines, but look out for Organically and Bio-dynamically produced wines which only contain very small amounts.
