THE YORKSHIRE ROSE GARDEN RITUAL

£99.50 for 80 minutes

The historic gardens at Middlethorpe Hall were restored in the 1980's to suggest something of their original formality, and are today renowned for their herbaceous borders which include beautiful specimen roses, peonies, irises and many more fragrant flowers. We invite Spa guests to enjoy a relaxing stroll in the gardens prior to or following their treatments.

The **Yorkshire Rose Garden Ritual** was designed by experts from Aromatherapy Associates, taking inspirations from Middlethorpe's award-winning gardens and their many scents.

Bring back your radiance with this comforting, restorative treatment. Precious essential oil of damask rose works on capillary circulation renewing the skin whilst the aroma has an expansive quality that soothes the emotions and nurtures the heart. The treatment begins with a gentle body brush exfoliation. A moisturising and softening mix of oil and cream with evening primrose oil and shea butter is smoothed over the body. Followed by a luxurious facial that also harnesses the regenerative properties of rose to nourish, soften and hydrate all skin types, especially dry, delicate and finely textured complexions.

This treatment leaves your skin radiant, soft and smooth and your spirits bright and uplifted.

THE ULTIMATE AROMATHERAPY EXPERIENCE

There are twelve signature oils to choose from, formulated with natural plant and flower oils with wonderful exotic scents and powerful therapeutic benefits for body and mind.

With your chosen oil, your therapist will use carefully applied pressures to stimulate the nervous system, Swedish and neuromuscular techniques to relieve muscular tension, and lymphatic drainage to encourage healthy circulation. True to Aromatherapy Associates' skincare philosophy, your skin is prepared by cleansing and exfoliating with jojoba beads or corn cob granules. It is then massaged using apple seed extract, raspberry seed oil and date palm oil which are renowned for their cell renewal and anti-oxidant effects. Two masks are applied, a rose gel to hydrate, and an intense strawberry seed and frankincense mask to firm and plump. Whilst the masks take effect, the eye area is taken care of with a lymphatic massage to improve skin suppleness and elasticity. For ultimate luxury your scalp is massaged to release stress and tension.

For a firm, plumped and more youthful-looking complexion.

Your skin is thoroughly cleansed, exfoliated and toned using our rose preparations, rich in pure regenerating damask rose, skin balancing geranium, and nourishing jojoba oil. A traditional aromatherapy pressure point massage combined with lymphatic drainage releases facial tension and congestion.
