THE YORKSHIRE ROSE GARDEN RITUAL

£115 for 80 minutes

The historic gardens at Middlethorpe Hall were restored in the 1980's to suggest something of their original formality, and are today renowned for their herbaceous borders which include beautiful specimen roses, peonies, irises and many more fragrant flowers. We invite Spa guests to enjoy a relaxing stroll in the gardens prior to or following their treatments.

The **Yorkshire Rose Garden Ritual** was designed by experts from Aromatherapy Associates, taking inspiration from Middlethorpe's award-winning gardens and their many scents.

Bring back your radiance with this comforting, restorative treatment. Precious essential oil of damask rose works on capillary circulation renewing the skin whilst the aroma has an expansive quality that soothes the emotions and nurtures the heart. The treatment begins with a gentle body brush exfoliation. A moisturising and softening mix of oil and cream with evening primrose oil and shea butter is smoothed over the body. Followed by a luxurious facial that also harnesses the regenerative properties of rose to nourish, soften and hydrate all skin types, especially dry, delicate and finely textured complexions.

This treatment leaves your skin radiant, soft and smooth and your spirits bright and uplifted.
